Whether you're an executive manager or aspiring sales leader, you'll discover how to find your own Noble Sales Purpose and create a sales force of True Believers. This new edition covers how firms overcome ferocious competition and how you can do the same. Why sales organizations with a clear NSP outperform traditional sales teams. How to avoid the trap of behaving like a transactional salesperson. Why well-intended leaders often unknowingly erode purpose and differentiation. How to use your NSP to increase customer engagement. Why an NSP gives you clarity during times of uncertainty. In an era where organizations often believe that money is the primary way to motivate salespeople, *Selling with Noble Purpose* offers an exciting and sustainable alternative.
