Nhl Opening Night 2025:

The Future Tab Bamford, 2025-02-11 A fascinating inside look at one of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard s Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard s inaugural season provides a thrilling and expansive portrait of today s NHL

Gino Patrick Johnston, Peter Leech, 2025-10-07 From veteran hockey reporter Patrick Johnston and Gino s longtime friend Peter Leech comes the authorized biography of Gino Odjick In the 1980s and 90s National Hockey League games were very different from the nimble skill focused displays we see today One of the greatest differences and one of the sport s more popular facets at the time was the widespread presence of enforcers hulking battle scarred players whose main task was to police the sport by chasing down and brawling with opponents who had broken unwritten codes determining which aspects of violence counted as dishonorable or unjustified When hard hitting Vancouver Canucks player Gino Odjick emerged in the early 1990s he quickly became one of the game s most feared enforcers and revered teammates a sign of a new era for the team racking up 296 penalty minutes in the 45 games he played in his rookie season Hailing from Kitigan Zibi an Algonquin community near Maniwaki Quebec Gino was one of the few Indigenous players in the NHL at the time But it was Gino s ferocious play contrasted by his genuinely affable and openhearted personality off the ice that won him a special place in the hearts of Canucks supporters Yet legends often obscure the human stories behind them Patrick Johnston and Peter Leech look beyond Gino s legendary persona drawing on insights from family members friends and teammates to recount Gino s early years in a loving household that was always ready to welcome foster children Gino s father Joe had suffered the lonely traumas of the residential school system and the experience had instilled a commitment in the family to those who were less fortunate The book also details Gino s eventual struggles with alcohol abuse and how he responded by taking on the role of empathetic mentor to young Indigenous people travelling from community to community to hear their stories and offer hope He never wavered in this role even as he confronted serious illnesses including chronic traumatic encephalopathy CTE and the rare blood disorder that he survived for years longer than expected but that eventually led to his death at age fifty two Gino is a moving tribute to a beloved hockey legend

Draft Day Doug

MacLean, Scott Morrison, 2024-10-15 Doug MacLean former NHL coach general manager team president and one of the game's biggest personalities reveals how teams build for greatness or fail to on hockey's most anticipated day A Moneyball for hockey The NHL draft is a critical time for teams when the foundation for future championships is laid or when championship dreams die Only time will tell if a draft is successful but a failed draft can severely set teams back for seasons much to the dread of ownership management and most importantly the fans For even the most die hard hockey fan the preparation for draft day is a black box Former president general manager and coach Doug MacLean takes readers behind the scenes from the 2022 draft in Montreal to revealing draft stories from the past to show how players are discovered and evaluated to create successful teams Just as Moneyball illustrated the value of analytics in building teams in baseball and beyond Draft Day shows the careful considerations that go into assessing talent for success What is that balance in today's game between metrics and instinct between analytics and traditional scouting MacLean draws from his own career as well as anecdotes from across the league to illustrate the hard won lessons and principles that lead to building successful teams Hockey is big business and this book is an invaluable resource for any leader seeking an edge for building resilient organizations Entertaining and informative with never before told details from some of the biggest moments in NHL history Draft Day is for every hockey fan who wonders how their team develops that hard to define winning chemistry or fails to year after year The Buffalo Sports Curse Greg D Tranter, 2025-06-01 No Buffalo sports team has ever won a universally recognized championship in a major league Fans may be familiar with three events that went against Buffalo Wide Right No Goal and Home Run Throwback But they serve only as highlights for a century long deeply engrained Sports Curse affecting every professional team in Buffalo sports history The significance and expansiveness of The Buffalo Sports Curse is showcased by thirty two historical Buffalo sports events the close calls blown calls injuries deaths nefarious back office dealings maladies and weird happenings at just the wrong times that all kept the Curse alive **Jane's All the World's Aircraft** Frederick Thomas Jane, 2003 **Broadcasting Cablecasting Yearbook** ,1984 USA Today Index ,1990 *Oxford Textbook of Medicine* D. personable and a media darling The only question that remained was whether he could handle the big time From an international advertising deal with Reebok to a season of personal triumphs and gut wrenching challenges with a little argument from Don Cherry along the way Sid the Kid has proven that he is the man In the tradition of A Season on the Brink and Peter Gzowski's The Game of Our Lives Shawna Richer has had the exclusive assignment of chronicling Sidney Crosby's incredible rookie season Beginning with the NHL entry draft that almost never was Richer follows Crosby to Pittsburgh where he is greeted as the team's saviour and moves in with living legend Mario Lemieux Just eighteen the league's youngest player makes the leap to the NHL look easy and is named its best rookie in his first month while performing under great expectations and intense scrutiny He quickly becomes his team's leading scorer and best player there are triumphant openings in New York Toronto and Montreal But like Gretzky and Lemieux the young superstars who came before him his first NHL season provides immense challenges The Penguins struggle to win games and fire their coach early on all with the threat that the team may be sold and leave Pittsburgh hanging over their heads Through it all Crosby rises to each challenge His story is destined to become a classic With less than a minute left to play and the game appearing to be headed to a shootout Crosby vaulted over the bench for his final shift At the same time across the rink in the corner near the Penguins net Ryan Malone pulled the puck onto his stick The rangy sophomore forward looked around for an open man nearby but then he spied Crosby near centre ice just starting to head across the zone The rookie was wide open and all alone Malone fired a long lead pass to his teammate straight up the middle of the rink Just over the centre line Crosby pulled the puck in and charged into the Flyers zone all the anger from earlier contained entirely on the blade of his stick The only thing between him and Niittymaki was less than ninety feet of well worn ice The Finnish goaltender shimmied out of his crease in an attempt to cut down the view of the net but Crosby was churning so hard and so fast he quickly backed up Sidney spotted an opening on Niittymaki's stick side and in an instant he shot and scored He raised his arms and shouted He circled back toward centre ice all broken teeth and fat lip and unbridled rage and joy and sweet revenge in one package The crowd roared its displeasure From The Rookie From the Hardcover edition *National Hockey League (NHL) Open Net* , Profiles the National Hockey League NHL based in New York City Provides weekly NHL news and information such as injury reports team statistics and player profiles Includes NHL game schedules arranged by date and by team Offers information about the history of hockey and about upcoming NHL events details the rules of hockey and provides player and team profiles Provides access to an online hockey trivia game
