Integration in ASP.NET Core Jack Xu, Welcome to Practical PayPal Integration in ASP NET Core This book will provide useful resources on PayPal Checkout and Subscriptions APIs and SDKs as well as their applications in ASP NET Core projects I hope that this book will be useful for NET programmers software developers and students of all skill levels who are interested in integrating the PayPal REST APIs into their ASP NET applications You may often get confused with PayPal because there are so many frameworks and options to do the same thing In fact there are over 50 PayPal services APIs and SDKs out there you just do not know which one is suitable for your applications In this book I will choose the latest PayPal products services APIs and SDKs and integrate them into your ASP NET Core applications Here are PayPal technologies that I plan to use PayPal Smart Payment Buttons These new buttons introduced in June 2018 provide a simplified and secure check out experience They intelligently present the most relevant payment types to your shoppers automatically PayPal JavaScript SDK This SDK integrates Smart Payment Buttons into your web site and renders them to a container DOM element PayPal Checkout NET SDK To simplify integrations PayPal provides a NET SDK for their Version 2 REST Payment API Using the SDK over a direct integration allows the SDK to handle authentication on the server side for you PayPal Subscriptions API I will implement a Subscriptions NET SDK based on PayPal Version 1 Subscriptions REST API This SDK allows you to easily integrate PayPal Subscriptions into NET applications In the first part of this book I will explain how to use the PayPal Checkout NET SDK to get start with the PayPal Version 2 Payments and Orders REST APIs I will use various examples to demonstrate the procedures to complete a PayPal checkout transaction including how to set up the development environment how to integrate and render Smart Payment Buttons how to create and manage orders and how to capture and verify the transaction In the second part of this book I will switch to PayPal Subscriptions API This API has not been ported to Version 2 yet so we have to use Version 1 API for subscription To make matters even worse PayPal has never released a stable Subscriptions NET SDK which makes it difficult for NET developers to integrate PayPal Subscriptions API into NET and NET Core applications Therefore I decide to implement a simple PayPal Subscriptions NET SDK which simply exposes various static methods that can be used to integrate PayPal Subscriptions API into NET applications I will use several

examples to illustrate how to use this SDK to complete subscription transactions

Gregory J. Battersby, Charles W. Grimes, Leonard T. Nuara, 2010-01-01 *Drafting Internet Agreements Second Edition* is the most comprehensive single volume collection of annotated forms for the internet. The book also offers valuable insights for business executives who want to know how internet transactions are structured and how to negotiate the best deals. This easy to use reference with accompanying CD ROM offers instant access to more than 40 sample agreements for every area of internet practice including Internet advertising, Internet consulting, Electronic commerce, Internet joint ventures, Internet licensing, Technology development, Website agreements, And more. Each form has been developed by the authors or other experienced internet law practitioners and has been used in actual transactions. Organized by type of transaction, each chapter includes a full agreement that illustrates the entire transaction as a seamless whole as well as a variety of agreements for closely related issues. For each form, the authors provide a brief overview, an analysis of the different kinds of forms that relate to the topic, and a description of the form's applicability and use. Coverage includes: Developing the content portion of the website; Seeking intellectual property protection of website content; Resolving domain name disputes; Seeking to recover a domain name to which you have rights; Linking a website to other sites; Raising capital to develop and operate a site; Marketing the Internet site; Selling advertising on the internet site; And more. A "Practice Tips" section before each form identifies the "hot spots" that are likely to arise during the transaction and offers guidance on resolving these hotly negotiated provisions quickly. Detailed checklists assist in drafting the final agreement. *Drafting Internet Agreements Second Edition* also includes a free companion CD ROM containing over 40 forms presented in the guide, making it easy to incorporate the forms into a word processing program. **Christian and Entrepreneur** Tiffany

Buckner, 2013-07-23 More than 80% of Christian businesses fail due to lack of knowledge. You're like the millions of Christians who want to know how you can start and run a successful Christian business. In *Christian and Entrepreneur: The Goal Mind to Success*, the answers that you have are finally answered. Your mind is the doorway to your success, but in order for you to access this doorway, you have to let the truth in. Most Christian businesses fail because the founders are applying the wrong mindset to a God-given establishment. You can walk through the door of success and you can stay there. Learn how to create businesses, empires, and organizations that are not only successful but have staying power. In this edition, we have interviewed a few Christian business owners to find out what caused them to succeed and what caused them to fail. The results will blow your mind. *The Complete Idiot's Guide to Starting an Ebay Business, 2nd Edition* Barbara
