Medicine O.A. Ryder,M.L. Byrd,2012-12-06 There is a saying he is a person who can charm the birds from the trees This
might well be applied to Kurt Benirschke Indeed it describes both his warm personality and his intimate interaction with
nature He might be considered a modern adept of the Greek and Roman Stoic school of philosophy which taught an
understanding of man as integrated into nature in its totality The right way to live is according to nature with nature as part
of it This at the same time means humanity and Kurt Benirschke impresses us not only as an outstanding scientist but also as
a humanist who has had a lifelong love affair with nature The foundation of Springer Verlag New York in 1964 offered a great
opportunity for getting together with eminent authors in the United States Kurt Benirschke was one of them and his book
Pathology of the Placenta was highly acclaimed all over the world My attention was first called to him by my dear friend Dr
Ernst Uhlinger then a pathologist in Zurich With a sharp and critical eye he followed the international literature on pathology
and discovered the genius of Kurt Benirschke Our first encounters led to a relationship of trust which in turn grew into
friendship I soon learned to esteem the special qualities of the man and the scientist in fact they cannot be separated **The**
Ferguson Report United States Department of Justice Civil Rights Division,2015-06-23 On August 9 2014 Michael Brown an
unarmed African American high school senior was shot by Officer Darren Wilson in Ferguson Missouri For months afterward
protestors took to the streets demanding justice testifying to the racist and exploitative police department and court system
and connecting the shooting of Brown with the deaths of Trayvon Martin Eric Garner and other young black men at the
hands of police across the country In the wake of these protests the Department of Justice launched a six month investigation
resulting in a report that Colorlines characterizes as so caustic it reads like an Onion article and laying bare what the
Huffington Post calls a totalizing police regime beyond any of Kafka s ghastliest nightmares Among the report s findings are
that the Ferguson Police Department Engages in a Pattern of Unconstitutional Stops and Arrests in Violation of the Fourth
Amendment Detain s People Without Reasonable Suspicion and Arrest s People Without Probable Cause Engages in a Pattern
of First Amendment Violations Engages in a Pattern of Excessive Force and Erode s Community Trust Especially Among
Ferguson s African American Residents Contextualized here in a substantial introduction by renowned legal scholar and
former NAACP Legal Defense and Educational Fund president Theodore M Shaw The Ferguson Report is a sad sobering and
important document providing a snapshot of American law enforcement at the start of the twenty first century with
resonance far beyond one small town in Missouri **The Economist** ,1853 **Foreign Commerce Weekly** United States.
