How to Open a Business Writing and Publishing Memoirs, Gift Books, Or Success Stories for Clients Anne Hart, 2005-12 Learn what questions to ask and how to interview people for the significant moments in their life stories and then write publish and bind by hand exquisitely crafted personal gift books memoirs or business success stories Words in memoirs or life success story gift books have a life of their own The purpose of a hand made finely bound memoirs or business success story gift book is to show how two or more people bring out the best in one another You'd be surprised how many people are satisfied to pay up to 10 000 or more depending upon the publisher to have only one copy of a hand bound hardcover book published about their event or life story What does it take to create and publish a memoirs gift book commemorating a Bar Mitzvah confirmation wedding or true experience What quality of personal book do you want to make from scratch writing printing and binding As far as printing and binding you can make one finished book at a cost to you of only 1 50 4 50 What you charge a client depends on what it costs you If you create and publish a custom gift book you'd publish only one copy of a hand bound hardcover book The tome would contain anywhere from 60 to 100 photos Text material based on phone or live interviews running at least two hours for one person or more if needed and about two hours spent per each interview would be about 80 to 120 published pages slightly more but only if necessary Look at yourself as a designer writer interviewer and book binder Learn how to make your own pop up books for all ages

ways as they would in Ontario New Brunswick or god forbid Alberta With practical advice little known facts and personal anecdotes Ferguson tackles everything from how to recognize a local and differentiate the various types of facial hair that delineate the male British Columbian to how to survive both natural and unnatural disasters whether it s a light dusting of snow on the southern tip of Vancouver Island or a full blown hockey riot to how BC has been governed through the ages like the time a bootlegger was put in charge of prohibition Illuminating hilarious and only mildly offensive if you have no sense of humour The Survival Guide to British Columbia will make you question why you ever came here in the first place
