*Official Gazette of the United States Patent and Trademark Office* ,1996      **The First King of Hollywood** Tracey Goessel,2015-10-01 Theatre Library Association s Wall Award Finalist Silent film superstar Douglas Fairbanks was an absolute charmer Irrepressibly vivacious he spent his life leaping over and into things from his early Broadway successes to his marriage to the great screen actress Mary Pickford to the way he made Hollywood his very own town The inventor of the swashbuckler he wasn t only an actor he all but directed and produced his movies and in founding United Artists with Pickford Charlie Chaplin and D W Griffith he challenged the studio system But listing his accomplishments is one thing and telling his story another Tracey Goessel has made the latter her life s work and with exclusive access to Fairbanks s love letters to Pickford she brilliantly illuminates how Fairbanks conquered not just the entertainment world but the heart of perhaps the most famous woman in the world at the time When Mary Pickford died she was an alcoholic self imprisoned in her mansion nearly alone and largely forgotten But she left behind a small box in it worn and refolded were her letters from Douglas Fairbanks Pickford and Fairbanks had ruled Hollywood as its first king and queen for a glorious decade But the letters began long before when they were both married to others when revealing the affair would have caused a great scandal Now these letters form the centerpiece of the first truly definitive biography of Hollywood s first king the man who did his own stunts and built his own studio and formed a company that allowed artists to distribute their own works outside the studio system But Goessel s research uncovered more that Fairbanks s first film appearance was two years earlier than had been assumed that his stories of how he got into theater and then into films were fabricated that the Pickford Fairbanks Studios had a specially constructed underground trench so that Fairbanks could jog in the nude that Fairbanks himself insisted racist references be removed from his films intertitles and the true cause of Fairbanks s death Fairbanks was the top male star of his generation the maker of some of the greatest films of his era *The Thief of Bagdad* *Robin Hood* *The Mark of Zorro* He was fun witty engaging creative athletic and a force to be reckoned with He shaped our idea of the Hollywood hero and Hollywood has never been the same since His story like his movies is full of passion bravado romance and desire Here at last is his definitive biography based on extensive and brand new research into every aspect of his career and written with fine understanding wit and verve      **Judgments in Vacation** Edward Abbott Parry,2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **Global Hollywood 2** Toby Miller,Nitin Govil,John McMurria,Richard Maxwell,Ting Wang,2019-07-25 Substantially revised and updated this book highlights how Hollywood has transformed itself to attain ever global clout and reach and the material factors underlining Hollywood s apparent artistic success Takes into consideration recent events affecting Hollywood such as 9 11 US foreign policy and developments in consumer technology      *Return of the Epic Film* Andrew Elliot,2015-03-05 With the success of

Gladiator both critics and scholars enthusiastically announced the return of a genre which had lain dormant for thirty years. However this return raises important new questions which remain unanswered. Why did the epic come back and why did it fall out of fashion? Are these the same kinds of epics as the 1950s and 60s or are there aesthetic differences? Can we treat Kingdom of Heaven 300 and Thor indiscriminately as one genre? Are non Western histories like Hero and Mongol epics too? Finally what precisely do we mean when we talk about the return of the epic film and why are they back? The Return of the Epic Film offers a fresh way of thinking about a body of films which has dominated our screens for a decade. With contributions from top scholars in the field the collection adopts a range of interdisciplinary perspectives to explore the epic film in the twenty first century.

Not only was Los Angeles a site crucial for exhibition of these films but it became the most important hub in the western hemisphere for the distribution of Spanish language films made for Latin American audiences. Cinema between Latin America and Los Angeles builds upon this foundational insight to both examine the considerable ongoing role that Los Angeles played in the history of Spanish language cinema and to explore the implications of this transnational dynamic for the study and analysis of Latin American cinema before 1960.
