Dear Mr. Brown,

August 20, 2023

Every other weekend, my dad takes us out for a brunch at McDonald's. I always look forward to the treat and the excellent customer service. I would welcome the challenge of being on the other side, serving and meeting customer preferences as a crew team member for the upcoming summer break.

As an order taker at a local community event dubbed "Good Neighbor," which had 350+ attendees, I developed strong communication skills and the ability to work under pressure while ensuring accuracy in taking orders. Additionally, I honed my cleaning and sanitization abilities during my volunteer stint at FreshBitez Food Bank, where maintaining a hygienic environment was of the utmost importance.

I also have experience in food preparation at school events which taught me the importance of efficiency and attention to detail. Adding that to my food safety knowledge and excellent timekeeping equips me with unique skill sets to exceed all expectations for this role.

As a crew team member at McDonald's, I am committed to upholding the restaurant's reputation for excellence. I am a quick learner and thrive in fast-paced environments, which I believe are vital attributes for success in this role's high expectations. Thank you for considering my application. I would be thrilled to discuss my suitability further in an interview. Please find my resume attached for your reference. I am available at your earliest convenience.

Sincerely,

Ingrid Hansen
