Ladd,2020-10-06 In The Experiential Therapist Phenomenology Trauma Informed Care and Mental Health Peter D Ladd steps outside of the medical model to explore alternative ways of thinking about mental health disorders Through case studies and analyses of current methods and research Ladd stresses the importance of incorporating trauma informed care phenomenological insights and empowerment methods in daily practice By analyzing issues such as collaboration wisdom momentum dialogue and necessary suffering Ladd highlights the importance of engaging with a patient s mental health experience and its impact on her family and argues that successful treatment results from an informed understanding of a patient s experience not an ability to name and categorize difficult experiences as classical disorders On Trails Robert Moor,2016-07-12 New York Times Bestseller Winner of the National Outdoor Book Award Winner of the Saroyan International Prize for Writing Winner of the Pacific Northwest Book Award The best outdoors book of the year Sierra Club From a talent who s been compared to Annie Dillard Edward Abbey David Quammen and Jared Diamond On Trails is a wondrous exploration of how trails help us understand the world from invisible ant trails to hiking paths that span continents from interstate highways to the Internet While thru hiking the Appalachian Trail Robert Moor began to wonder about the
