### **The Nature of College**

James Farrell,2010-10-01

Stately oaks ivy covered walls the opposite sex these are the things that likely come to mind for most Americans when they think about the nature of college But the real nature of college is hidden in plain sight it's flowing out of the keg it's woven into the mascots on our T-shirts Engaging in a deep and richly entertaining study of campus ecology The Nature of College explores one day in the life of the average student questioning what natural is and what common sense is really good for and weighing the collective impacts of the everyday In the end this fascinating highly original book rediscovers and repurposes the great and timeless opportunity presented by college to study the American way of life and to develop a more sustainable better way to live

### **The Deal**

Lisa Briskie,2005-10 Was it a cruel twist of fate or the carefully laid plan of a ruthless businessman Jaclyn Tate a stunning and accomplished commercial real estate broker was haunted by that question when the man with whom she shared an impulsive and passionate affair turned out to be the unethical party who beat her to the closing table on the biggest deal of her illustrious career Steven Cason the charismatic and most desired bachelor in Dallas is the ultimate dealmaker and one of

the most powerful men in town He would allow no one to surpass him at his game especially not on his home turf and on his prized real estate deal The stakes are high the passion intense Two parties Jaclyn and Steven are each willing to do whatever it takes to close the deal How far are they willing to go

**Contracts For Sale** Edward Izzi, Embrace your enemies When their bodies are found you won't be a suspect How would you like to hire the services of an elite group of professional assassins who will accept the assignment of deleting your most horrific adversary performing the perfect murder without a trace Chicago Sun Times Reporter Paul Crawford is asked to investigate a series of recent murders he eventually calls the Houdini Victims He begins with the investigation of a corporate executive who vanishes from a parking garage in the Chicago Loop without a trace The most unusual fact about this crime is that there is no body no DNA evidence no surveillance cameras and no fingerprints It is quite obvious that this murder was done by a professional and neither Crawford nor his Channel Eight reporter buddy Chaz Rizzo can figure out who it is Mark Stelter CEO of Eradication Inc has found a niche and a marketable demand for those who wish to eliminate their worst enemies For the price of 99 900 he has a stable of professional killers who can abduct any victim and make them disappear With the help of his affiliate company Eco Green Environmental Consultants he has the chemicals the facilities and the personnel to make any murder victim vanish without a trace He conducts his covert corporation like any other corporate entity with a board of directors meeting each month and dividend declarations to his shareholders But when one of the directors attempts to resign things start to get complicated Stelter sends his killers to track down and assassinate the former shareholder They use a unique apparatus called a bolito instantaneously killing their victims With a section in the director's contracts barring them from resigning and signing their own death warrants the shareholders of Eradication Inc are now getting nervous Although they are making millions the shareholders now realize that they are putting their lives at risk and can only escape with their deaths As the victims continue to vanish Paul Crawford continues to investigate the environmental company and how they are connected to the recent Chicago murders With the shareholders of Eradication Inc wishing to resign and make a deal with the Chicago P D Mark Stelter struggles to keep his Board of Directors unified with an iron fist It is now only a question of time before either the reporters or the shareholders become the next vanishing victims of Eradication Inc
