eMarketing Raymond Frost, Alexa K. Fox, Terry Daugherty, 2022-11-15 eMarketing 9th edition equips students with the solid foundation in digital marketing required to excel in practice and think like a marketer. The book connects digital marketing topics with the traditional marketing framework making it easier for students to grasp the concepts and strategies involved in developing a digital marketing plan. With a strategic approach that focuses on performance metrics and monitoring, it is a highly practical book. The 9th edition has been fully updated to include the most cutting edge trends and topics including SEO, customer experience, digital media consumption, analytics, big data, and AI, and diversity and ethics. Case studies and examples have been updated across the book to demonstrate marketing practice in real organizations globally. Pedagogical features support the theoretical foundation throughout incorporating success stories and let's get technical boxes as well as activities at the end of each chapter to aid students in their understanding of and ability to execute successful digital marketing strategies. Highly regarded and comprehensive, this textbook is core reading for undergraduate students studying digital marketing and digital business. Online resources include PowerPoint slides and a test bank.

Content 10x Amy Woods, *Build Demand Before You Deliver: Pre-Sale Blueprints That Work Every Time* Onyeka Godfrey, 2025-08-04 Why build in the dark when you can build in public with profit? This book shows you how to sell your product before it exists. Not by tricking people but by building trust, testing interest, and proving demand upfront. You'll master pre-sale strategies that validate your idea and fund its creation. Inside you'll find practical blueprints for email pre-launches, waitlists that convert, value first messaging, and urgency driven presales. You'll learn how to build momentum before delivery and how to use feedback loops to sharpen your offer before release day. If you're tired of guessing what people want and wasting time building things they don't, this book gives you the shortcut to certainty, sales, and confidence. *The 60 Second Sale* David V. Lorenzo, 2018-07-16 Every sale is made or lost in 60 seconds. Make them count. Cold calling and pushing your way into an office or a living room creates an atmosphere of adversity and distrust you must overcome before you close the deal. With those tired tactics you're swimming upstream against a strong current with a bag of rocks tied to your waist. Sales has changed. Legacy sales gimmicks destroy relationships right from the first minute. The 60 Second Sale is a turnkey system for building profitable, lifelong relationships. Whether you work with affluent consumers or sell to senior executives in FORTUNE 500 companies, this step-by-step guide will help you open doors, close deals, and make more money in a way that leverages your natural strengths. That's the magnificence of the 60 second sale system. You get to be yourself and build your business. In this book you will discover: How to start a sales conversation in 60 seconds. Who to target for immediate income. A powerful yet easy to use system to generate relationship revenue. Five ways to initiate new relationships. What to say to make sure your business meetings result in money in the bank. The secret to getting a yes every time, even in the most competitive sales environment. The winning mindset that removes the stress, uncertainty, and fear from income generation. And so many

other effective business growth strategies your competition won't know what hit them Business relationships are built one minute at a time From introduction to closing every 60 seconds you have an opportunity to strengthen your relationship or destroy it Isn't it time you started leveraging your expertise demonstrating your value and building trust with your clients When you do they buy into who you are and how you can help them right from the first minute The 60 Second Sale is a fail proof system for succeeding in today's relationship focused sales environment [IT Consultant Diploma - City of London College of Economics - 12 months - 100% online / self-paced](#) City of London College of Economics, Overview This course deals with everything you need to know to become a successful IT Consultant Content Business Process Management Human Resource Management IT Manager's Handbook Principles of Marketing The Leadership Information Systems and Information Technology IT Project Management Duration 12 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we'll send you the assignment questions Study material The study material will be provided in separate files by email download link **MBA in Marketing - City of London College of Economics - 10 months - 100% online / self-paced** City of London College of Economics, Overview An MBA in Marketing or Master of Business Administration is a degree that will prepare you for leading positions in marketing such as Chief Marketing Officer Content What is Marketing Marketing Management Marketing Management Philosophies Marketing Challenges into the Next Century Marketing and Society Social Responsibility and Marketing Ethics Social Criticisms of Marketing Citizen and Public Actions to Regulate Business Actions Towards Socially Responsible Principles for Public Policy Towards Marketing Strategic Marketing Planning The Global Market Place Business Markets and Business Buyer Behaviour Market Information and Marketing Research Core Strategy Digital Marketing Strategy Customer Relationship Management E Commerce Fundamentals of Management And many more Duration 10 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we'll send you the assignment questions Study material The study material will be provided in separate files by email download link **The Mobile Commerce Revolution** Tim Hayden, Tom Webster, 2014-09-30 Your Definitive Guide to Profiting from Mobile Commerce With more than 60% of Americans carrying smartphones your mobile commerce opportunities are immense not someday right now But to fully capture those opportunities it's not enough to build an app You need to know how mobile is transforming your customers behavior your organization and your competitive environment You need to assess and apply a wide spectrum of strategies tactics and technologies from responsive web design and location based tactics to mobile payment systems You need to change your processes and your culture The Mobile Commerce Revolution covers all this and more Mobile commerce pioneer Tim Hayden and consumer behavior expert Tom Webster draw on their experience helping clients of all kinds to succeed with mobile from startups to the world's top brands Packed with indispensable data and cutting edge case studies this guide will take you from
