Government James A. Yunker, 2011-02 There is much discussion in contemporary international relations about global governance but where did this idea originate what are its intellectual antecedents and does it have a realistic future This book is a concise yet comprehensive account of the intellectual history of world government up to the present day *Earth Manual* United States. Bureau of Reclamation, 1951 **Global Debates About Taxation** Holger Nehring, Florian

Schui, 2007-04-17 Current debates about taxes are dominated by references to foreign models The contributors to this book explore how ideas about taxation were transferred between and within countries from the mid eighteenth century to the present They send out a word of caution to current policymakers looking for straightforward solutions from abroad

Baseball Under the Lights Charlie Bevis, 2021-05-14 Night games transformed the business of professional baseball as the smaller demographically narrower audiences able to attend daytime games gave way to larger more diversified crowds of nighttime spectators Many ball club owners were initially conflicted about artificial lighting and later actually resisted expanding the number of night games during the sport's struggle to balance ballpark attendance and television viewership in the 1950s This first ever comprehensive history of night baseball examines the factors obstacles and trends that shaped this
