[Comics through Time](#) M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th

century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers

Good Business Mihaly

Csikszentmihalyi,2004-03-30 Since Mihaly Csikszentmihalyi published the groundbreaking Flow more than a decade ago world leaders such as Tony Blair and former President Clinton and influential sports figures like Super Bowl champion coach Jimmy Johnson have all been inspired by the book In today s corporate upheaval a new business paradigm is evolving While many CEOs are being exposed for their greed truly visionary leaders believe in a goal that benefits themselves as well as others They realize that it is their vision and soul that attract loyal employees willing to go above and beyond the call of corporate duty And their employees are realizing the same thing while 80 percent of adults claim they d work even if they didn t have to the majority of them can hardly wait to leave their jobs and get home Good Business starts with the premise that this is an age in which business and work have replaced religion and politics as central forces in contemporary life The book reveals how business leaders managers and even employees can find their flow and contribute not only to their own happiness but also to a just and evolving society It identifies the factors crucial to the operation of a good business trust the commitment to fostering the personal growth of employees and the dedication to creating a product that helps mankind Good Business is sure to become a must read text for anyone who values the positive contributions of individuals in the changing world of business

The Big Idea Donny Deutsch,2009-01-01 It s the moment when you say There s gotta be a better way It s the moment when you ask How can I solve this problem Donny Deutsch s hit CNBC show The Big Idea has put the spotlight on that ordinary moment and the people who have the courage and stamina to make their dreams come true Some people think a big idea is like a lightning bolt striking out of the blue that slams you in the head But it s hardly ever like that The big idea isn t an act of God It s an act of daily life Simply put the idea that will make millions starts with an observation A carpenter gets tired of almost losing a finger every time he slices a bagel Bam The Bagel Guillotine A mother is frustrated that her pantry is full of stale food because the packages don t close Bam Quick Seals Howard Schultz notices on a trip to Italy that there are coffee bars on almost every corner Bam Starbucks None of them had a barrel of cash None of them had a ton of experience They had a big idea and the will to follow through In The Big Idea Deutsch draws not only on his own tremendous focus and expertise but on that of dozens of the successful entrepreneurs whom he has interviewed to help you create your own enterprise From the Gut Check Moment to Mom Power The Big Idea takes aspiring entrepreneurs along every step of the way The Big Idea is your road map to the American dream

All In Startup Diana Kander,2014-06-30 If Owen Chase can t find a way to turn his company around in the next nine days he ll be forced to shut it down and lay off all of his employees He has incurred substantial debt and his marriage is on shaky ground Through pure happenstance Owen finds himself pondering this problem while advancing steadily as a contestant at the World Series of Poker His Las Vegas path quickly introduces him to Samantha a beautiful and mysterious mentor with a revolutionary approach to entrepreneurship Sam is a fountain of knowledge that may save his company but her sexual advances might prove too much for Owen s struggling marriage All In Startup is more than just a novel about eschewing temptation and fighting to save a company It is

a lifeline for entrepreneurs who are thinking about launching a new idea or for those who have already started but can't seem to generate the traction they were expecting. Entrepreneurs who achieve success in the new economy do so using a new scientific method of innovation. *All In Startup* demonstrates why four counterintuitive principles separate successful entrepreneurs from the wannabe entrepreneurs who bounce from idea to idea unable to generate real revenue. You will likely get only one opportunity in your life to go all in on an idea to quit your job, talk your spouse into letting you drain the savings account and follow your dream. *All In Startup* will prepare you for that all-in moment and make sure that you push your chips into the middle only when the odds are in your favor. This book holds the keys to significantly de-risking your idea so that your success appears almost lucky. Join Owen and Sam for this one-of-a-kind journey that will set you on the right path for when it's your turn to put everything on the line.

Mover and Shaker Andy McCue, 2014-05-01 One of the most influential and controversial team owners in professional sports history, Walter O. Malley (1903-79) is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles. Yet much of the O. Malley story leading up to the Dodgers move is unknown or created from myth, and there is substantially more to the man. When he entered the public eye, the self-constructed family background and early life he presented was gilded. Later, his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers. In *Mover and Shaker*, Andy McCue presents for the first time an objective, complete, and nuanced account of O. Malley's life. He also departs from the overly sentimentalized accounts of O. Malley as either villain or angel and reveals him first and foremost as a rational, hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game.

Cycle World Magazine, 1980-01 **Advocacy** John A. Daly, 2011-08-30 Offers advice, actions, and strategies for how to pitch a good idea to an influential group and gain their support. **From Idea to Exit** Jeffrey Weber, 2013-10-08 While most small business books cover niche components of the start-up model, *From Idea to Exit* takes a more comprehensive approach, tackling the entire entrepreneurial journey from the initial seed idea through a well-planned exit strategy. Through a persuasive narrative, the author draws from his own success a practical call to action for those who dream of taking that first big step. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art.
