includes 119 photographs The Down Goes Brown History of the NHL Sean McIndoe,2018-10-30 Sean McIndoe of Down Goes Brown one of hockey's favourite and funniest writers takes aim at the game's most memorable moments especially if they're memorable for the wrong reasons in this warts and all history of the NHL The NHL is indisputably weird One moment you're in awe of the speed skill and intensity that define the sport shaking your head as a player makes an impossible play or shatters a longstanding record or sobs into his first Stanley Cup The next everyone's wearing earmuffs Mr Rogers has shown up and guys in yellow raincoats are officiating playoff games while everyone tries to figure out where the league president went That's just life in the NHL a league that often can't seem to get out of its own way No matter how long you've been a hockey fan you know that sinking feeling that maybe just maybe some of the people in charge here don't actually know what they're doing And at some point you've probably wondered Has it always been this way The short answer is yes As for the longer answer well that's this book In this fun irreverent and fact-filled history Sean McIndoe relates the flip side to the National Hockey League's storied past His obsessively detailed memory combines with his keen sense for the absurdities that make you shake your head at the league and yet fanatically love the game allowing you to laugh even when your team is the butt of the joke and as a life-long Leafs fan McIndoe takes the brunt of some of his own best zingers The Down Goes Brown History of the NHL is the weird and wonderful league's story told as only Sean McIndoe can The Sports Hall of Fame Encyclopedia Dave Blevins,2011-12-23 In 1936 the Baseball Hall of Fame was established to honor the legends of the sport The first inductees were some of the greatest names of the dugout including Ty Cobb and Babe Ruth Less than ten years later in 1945 the Hockey Hall of Fame inducted its first members The Soccer Hall of Fame was established in 1950 followed by the Basketball Hall of Fame in 1959 and the Football Hall of Fame in 1963 In all more than 1 400 inductees players teams and behind the scenes personnel have been enshrined in these five halls of fame The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame From Hank Aaron to Fred Zollner this book contains biographical information sport and position's played and career statistics when applicable of each of the more than 1 400 honorees The book also includes specific appendixes for each shrine in which inductees are listed alphabetically and by year of induction Also included are appendixes briefly describing the history of each hall of fame
