and mobile entertainment issues and trends **Getting Signed** David Arditi,2020-09-28 Record contracts have been the goal of aspiring musicians but are they still important in the era of SoundCloud Musicians in the United States still seem to think so flocking to auditions for The Voice and Idol brands or paying to perform at record label showcases in the hopes of landing a deal The belief that signing a record contract will almost infallibly lead to some measure of success the ideology of getting signed as Arditi defines it is alive and well Though streaming social media and viral content have turned the recording industry upside down in one sense the record contract and its mythos still persist Getting Signed provides a critical analysis of musicians contract aspirations as a cultural phenomenon that reproduces modes of power and economic exploitation no matter how radical the route to contract Working at the intersection of Marxist sociology cultural sociology critical theory and media studies Arditi unfolds how the ideology of getting signed penetrated an industry created a mythos of guaranteed success and persists in an era when power is being redefined in the light of digital technologies *The Ten That Rule the World* Azhar ul Haque Sario,2024-12-02 Ever wondered who really runs the world It s not politicians or celebrities but a handful of powerful companies shaping our lives in ways we barely realize The 10 That Rule the World dives deep into the stories of these giants exploring their strategies innovations and the impact they have on our everyday existence From the AI revolution fueled by Nvidia to the social connections forged by Meta this book uncovers the secrets behind their success We ll explore Apple s walled garden Microsoft s cloud dominance and Amazon s e commerce empire But it s not just about tech we ll also delve into the energy titan Saudi Aramco the electric car visionary Tesla and the investment wisdom of Berkshire Hathaway Finally we ll uncover the critical role of TSMC the hidden foundation of our digital world This isn t just another dry business book The 10 That Rule the World weaves together captivating narratives insightful analysis and a touch of humor to make these complex stories accessible to everyone Whether you re a seasoned investor a curious consumer or simply someone who wants to understand the forces shaping our future this book offers a fresh perspective on the companies that truly rule the world Working Backwards Colin Bryar,Bill Carr,2021-02-09 Working Backwards is an insider s breakdown of Amazon s approach to culture leadership and best practices from two long time Amazon executives with lessons and techniques you can apply to your own company and career right now In Working Backwards two long serving Amazon executives reveal the principles and practices that have driven the success of one of the most extraordinary companies the world has ever known With twenty seven years of Amazon experience between them much of it during the period of unmatched innovation that created products and services including Kindle Amazon Prime Amazon Studios and Amazon Web Services Bryar and Carr offer unprecedented access to the Amazon way as it was developed and proven to be repeatable scalable and adaptable With keen analysis and practical steps for applying it at your own company no matter the size the authors illuminate how Amazon s fourteen leadership principles inform decision making at all levels of the company With a focus on customer obsession long term thinking eagerness to invent and operational excellence Amazon s ground level

practices ensure these characteristics are translated into action and flow through all aspects of the business Working Backwards is both a practical guidebook and the story of how the company grew to become so successful It is filled with the authors in the room recollections of what Being Amazonian is like and how their time at the company affected their personal and professional lives They demonstrate that success on Amazon s scale is not achieved by the genius of any single leader but rather through commitment to and execution of a set of well defined rigorously executed principles and practices shared here for the very first time Whatever your talent career or organization might be find out how you can put Working Backwards to work for you *iPod & iTunes* J. D. Biersdorfer,2004 Explains how to use the portable music player with a Windows PC or a Macintosh computer to perform functions including play music store personal contact and calendar information and use as a portable FireWire drive **Digital Revolution Tamed** Hyojung Sun,2018-08-03 This book explores why widespread predictions of the radical transformation in the recording industry did not materialise Although the growing revenue generated from streaming signals the recovery of the digital music business it is important to ask to what extent is the current development a response to digital innovation Hyojung Sun finds the answer in the detailed innovation process that has taken place since Napster She reassesses the way digital music technologies were encultured in complex music valorisation processes and demonstrates how the industry has become reintermediated rather than disintermediated This book offers a new understanding of digital disruption in the recording industry It captures the complexity of the innovation processes that brought about technological development which arose as a result of interaction across the circuit of the recording business production distribution valorisation and consumption By offering a more sophisticated account than the prevailing dichotomy the book exposes deterministic myths surrounding the radical transformation of the industry
