The Christian's Guide to Living in the Last Days Vol.2 Billy Crone,2019-01-03 It s not enough to just know we re living in the Last Days the point is to do something about it We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it s too late Time is simply running out The problem is most Christians are distracted disinterested or flat out apathetic making no difference for Jesus in these Last Days On top of that their countenance is a bad walking advertisement for Jesus Therefore this book The Christian s Guide to Living in the Last Days Vol 2 seeks to equip you the reader with pivotal keys that are absolutely crucial if we re ever going to have that life changing walk with Jesus in these final hours Here you will learn such insights as The Dangers of a Misplaced Mind The Dangers of a Misplaced Lifestyle Focus Attitude Behavior Understanding and Posture Turn your walk and witness around for Jesus before it s too late

Video Games and American Culture Aaron A. Toscano,2019-12-12 Digital media are immersive technologies reflecting behaviors attitudes and values The engrossing entertaining virtual worlds video games provide are important sites for 21st century research This book moves beyond assertions that video games cause violence by analyzing the culture that produces such material While some popular media reinforce the idea that video games lead to violence this book uses a cultural studies lens to reveal a more complex situation Video games do not lead to violence sexism and chauvinism Rather Toscano argues a violent sexist chauvinistic culture reproduces texts that reflect these values Although video games have a worldwide audience this book focuses on American culture and how this multi billion dollar industry entertains us in our leisure time and sometimes at work bringing us into virtual environments where we have fun learning fighting discovering and acquiring bragging rights When politicians and moral crusaders push agendas that claim video games cause a range of social ills from obesity to mass shooting these perspectives fail to recognize that video games reproduce hegemonic American values This book in contrast focuses on what these highly entertaining cultural products tell us about who we are
