In Theaters Everywhere Brian Hannan, 2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years At their heart are questions about how films should be released where when and at what speed Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output In the Silent Era movies were not released nearly as widely as they are now This book tells the story of how the few became the many It explores the contraction of the release cycle the maximization of the marketing dollar and the democratization of consumer access It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found

Marketing to Moviegoers Robert Marich, 2005 The author goes right to the source and provides data quotes and insights from high profile industry professionals and information on market research that the major studios don't want the moviegoing public to know This book provides practical data such as templates for advertising campaigns of different sizes solutions and an insight into the complicated movie marketing process Armed with the strategies that Hollywood professionals would prefer not to share film professionals and marketing professionals alike will have a leg up in this complicated business

Anticipation Jonathan Bowen, 2005-04 In 1999 the first new Star Wars movie in sixteen years came to theater screens worldwide Leading up to the release of the film

the hype and media coverage reached epic proportions The Phantom Menace graced every cover from Vanity Fair to Newsweek to Entertainment Weekly Fans began camping in line for more than a month in Los Angeles just to be first to see the new film Anticipation tells the real life story of a movie that faced expectations unlike those of any other film in history but had the advantage of years of anticipation and excitement from eager fans and the public The Phantom Menace deserves a place in film history not only as the most anticipated film ever made but also for its place as the first film presented to the public with digital projection technology its status as one of the highest grossing films ever made and the unbelievable devotion of thousands of fans who demonstrated the great meaning movies can have to people of all ages and social backgrounds

Routledge Handbook of Indian Cinemas K. Gokulsing, Wimal Dissanayake, 2013-04-17 India is the largest film producing country in the world and its output has a global reach After years of marginalisation by academics in the Western world Indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time Bringing together contributions from leading scholars in the field this Handbook looks at the complex reasons for this remarkable journey Combining a historical and thematic approach the Handbook discusses how Indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social economic cultural political ideological aesthetic technical and institutional discourses The thematic section provides an up to date critical narrative on diverse topics such as audience censorship film distribution film industry diaspora sexuality film music and nationalism The Handbook provides a comprehensive and cutting edge survey of Indian cinemas discussing Popular Parallel New Wave and Regional cinemas as well as the spectacular rise of Bollywood It is an invaluable resource for students and academics of South Asian Studies Film Studies and Cultural Studies

Coming Back to a Theater Near You Brian Hannan, 2016-06-14 In the Silent Era film reissues were a battle between rival studios every Mary Pickford new release in 1914 was met with a Pickford re release For 50 years after the Silent Era reissues were a battle between the studios who considered old movies found money and cinema owners who often saw audiences reject former box office hits In the mid 1960s the return of The Bridge on the River Kwai 1957 the second biggest reissue of all time altered industry perceptions and James Bond double features pushed the revival market to new heights In the digital age reissues have continued to confound the critics This is the untold hundred year story of how old movies saved new Hollywood Covering the booms and busts of a recycling business that became its own industry the author describes how the likes of Charlie Chaplin Humphrey Bogart and Alfred Hitchcock won over new generations of audiences and explores the lasting appeal of films like Napoleon 1927 Gone with the Wind 1939 The Rocky Horror Show 1975 and Blade Runner 1982
