Talk Money to Me Jason Tartick, 2024-04-02 What's one thing you know you overspend on but can't live without? If you were given one million dollars, what would you do with it? Answers to questions like these reveal your greatest interests and priorities in life, and they can do the same for your date. Talking money with your romantic interest or partner can feel taboo and so uncomfortable that most people would rather just leave it a mystery. But the numbers don't lie: money is one of the leading causes of tension in relationships, decreased intimacy, and even divorce. Jason Tartick, host of the *Trading Secrets* Podcast, former banker and partner to top financial organizations like Capital One, walks you through all the numbers you can't ignore in a relationship. With simple terms and interactive questions, you can uncover what you want for your finances and if your next date is compatible. You can also deepen trust and intimacy with your partner and even plan for your dream future together. With *Talk Money to Me*, you'll learn how to get comfortable starting the money conversations with your partner and loved ones. Learn the most important financial tricks, tactics, and technology to improve money habits. Calculate and manage the eight figures that will critically impact your financial wellbeing. Create independent and joint spending, saving, and investing strategies as a team. Understand the potential repercussions of financial deception. Talking about money is essential for a healthy, lasting relationship and can be one of the most rewarding ways to grow closer to your partner and create an amazing life together.

Make Your Paycheck Last Jason R. Rich, 2004-01-15 Here is the ideal financial resource for students, recent graduates, newlyweds, young professionals, single parents, the recently divorced, recent retirees, and anyone seeking to take charge of their finances. If most or all of your paycheck seems to disappear by the time your monthly expenses are paid or you are in serious debt, this book will help you. Millions of people are living paycheck to paycheck with little or no savings and no game plan for changing their financial predicament. This book, with contributions from real financial experts, is for every one of them. It is an easy-to-read, straightforward, information-packed book for the financially unsophisticated that offers step-by-step directions and dozens of strategies for developing and implementing a custom-tailored budget. Setting and achieving personal and family financial goals. Cutting everyday living expenses. Reducing and eventually eliminating debt. Saving money every month. Earning more money. Planning for the future.

Corporate Law and the Theory of the Firm Wm. Dennis Huber,2020-04-08 Dozens of judicial opinions have held that shareholders own corporations that directors are agents of shareholders and even that directors are trustees of shareholders property Yet until now it has never been proven These doctrines rest on unsubstantiated assumptions In this book the author performs a rigorous systematic analysis of common law contract law property law agency law partnership law trust law and corporate statutory law using judicial rulings that prove shareholders do not own corporations that there is no separation of ownership and control directors are not agents of shareholders and shareholders are not investors in corporations Furthermore the author proves the theory of the firm which is founded on the separation of ownership and control and directors as agents of shareholders promotes an agenda that wilfully ignores fundamental property law and agency law However since shareholders do not own the corporation and directors are not agents of shareholders the theory of the firm collapses The book corrects decades of confusion and misguided research in corporate law and the economic theory of the firm and will allow readers to understand how property law agency law and economics contradict each other when applied to corporate law It will appeal to researchers and upper level and graduate students in economics finance accounting law and sociology as well as attorneys and accountants
