The Branding of Right-Wing Activism Khadijah Costley White, 2018-08-02 From the start of Barack Obama's presidency in 2009 conservative populist groups began fomenting political fractiousness dissent and surprising electoral success The Tea Party was one of the major characters driving this story But as Khadijah Costley White argues in this book the Tea Party's ascent to major political phenomenon can be attributed to the way in which partisan and non-partisan news outlets branded the Party as a pot stirrer in political conflicts over race class and gender In other words the news media played a major role in developing cultivating and promoting populism's brand particularly within the news

spaces of commentary and opinion Through the language of political marketing branding and promotion the news media not only reported on the Tea Party but also acted as its political strategist and brand consultant Moreover the conservative press acted more as a political party than a news medium deliberately promoting the Tea Party and aiding in organizing headlining and galvanizing a conservative political base around specific Tea Party candidates values and events In a media environment in which everyone has the opportunity to tune out tune in and speak back The Branding of Right Wing Activism ultimately shows that distinctions between citizens journalists activists politicians celebrities and consumers are more symbolic than concrete

more **The Routledge Handbook of Translation and Media** Esperança Bielsa, 2021-12-24 The Routledge Handbook of Translation and Media provides the first comprehensive account of the role of translation in the media which has become a thriving area of research in recent decades. It offers theoretical and methodological perspectives on translation and media in the digital age as well as analyses of a wide diversity of media contexts and translation forms. Divided into four parts with an editor introduction, the 33 chapters are written by leading international experts and provide a critical survey of each area with suggestions for further reading. The Handbook aims to showcase innovative approaches and developments bridging the gap between currently separate disciplinary subfields and pointing to potential synergies and broad research topics and issues. With a broad ranging critical and interdisciplinary perspective, this Handbook is an indispensable resource for all students and researchers of translation studies, audiovisual translation, journalism studies, film studies and media studies. The Open Access version of Chapter 1 available at <http://www.taylorfrancis.com> has been made available under a Creative Commons CC BY-NC-ND license.

To the Edge Philip A. Wallach, 2015-04-21 Were the radical steps taken by the Treasury Department and Federal Reserve to avert the financial crisis legal? When and why did political elites and the general public question the legitimacy of the government's responses to the crisis? In *To the Edge*, Legality, Legitimacy and the Responses to the 2008 Financial Crisis, Philip Wallach chronicles and examines the legal and political controversies surrounding the government's responses to the recent financial crisis. The economic devastation left behind is well known, but some allege that even more lasting harm was inflicted on America's rule of law tradition and government legitimacy by the ambitious attempts to limit the fallout. In probing these claims, Wallach offers a searching inquiry into the meaning of the rule of law during crises. The book provides a detailed analysis of the policies undertaken from the rescue of Bear Stearns in March 2008 through the tumultuous events of September 2008, the passage of the TARP and its broad usage, the alphabet soup of emergency Federal Reserve programs, the bankruptcies of Chrysler and GM and the extended public ownership of AIG, Fannie Mae and Freddie Mac. Throughout, Wallach probes the legal bases of the government's actions and explores why concerns about the legitimacy of government actions were only sporadically grounded in concerns about legality and sometimes ran directly against them. The public's sense that government officials operated through ad hoc responses that favored powerful interests has helped bring the legitimacy of American governmental institutions to historic lows. Wallach's book recommends constructive and sensible reforms policymakers should take to ensure accountability and legitimacy before the government faces another crisis.

Saturday Afternoon Fever Jeff Stelling, 2024-11-07 SHORTLISTED FOR SPORTS ENTERTAINMENT BOOK OF THE YEAR AT THE SPORTS BOOK AWARDS 2025 Made me laugh and cry. Chris Kamara. Such an enjoyable book. Ally McCoist. Jeff's autobiography is a riot of humour and nostalgia. A great read. Phil Thompson. *Saturday Afternoon Fever* is great fun, right out of the top drawer. Paul Merson. A profoundly personal, warmly nostalgic and deliciously funny memoir by the legendary Sky Sports anchorman Jeff Stelling, chronicling a life spent obsessing about The Beautiful

Game ever since he was a little boy and underpinned by a deeply rooted love of football and of people For a quarter of a century the iconic Sky Sports football presenter Jeff Stelling was the face and voice of football television As the host of Soccer Saturday a results show with National Treasure status he expertly presided over a live panel of former footballers watching the most exciting sporting chapter of the weekend on the telly in front of a transfixed audience of millions watching unbelievably on the telly Beginning at midday and wrapping just after the Premier League s players had showered and changed the show s popularity stitched Stelling into the fabric of match day rituals up and down the country For fans the weekend didn t exist without an hour or four of Soccer Saturday Saturday Afternoon Fever is Stelling s moving and fascinating memoir a love letter to the game that has shaped and defined him as it has millions of other football fans across the UK This is the passionate engaging tale of one fan s journey from the terraces at Hartlepool s rainy Victoria Park in the 1960s to the sleek and salubrious confines of the Sky Sports studios an adventure that spans well over half a century and some of the most fast changing exciting periods in football s history

Public History Faye Sayer, 2019-01-24 The 2nd edition of Public History A Practical Guide provides a fresh examination of history as practiced in its various worldly guises and contexts It analyses the many skills that historians require in the practice of public history and looks at how a range of actors including museums archives government agencies community history societies and the media digital media make history accessible to a wider audience in a variety of ways Faye Sayer s exciting new edition includes Brand new chapters on Restoration and Preservation and history and the working world Substantial additions covering the growing fields of digital history and history in politics More images figures and international case studies from the US Australia the UK Europe and Asia Personal Reflection sections from a range of industry experts from around the world Historiographical updates and significant revisions throughout the text Expanded online Public History Toolkit resource with a range of new features Public History A Practical Guide delivers a comprehensive outline of this increasingly prevalent area of the discipline offering a distinctly global approach that is both accessible and engaging in equal measure Finally it explores future methodological possibilities and can be used as a reference point for professional development planning in the sectors discussed This is the essential overview for any student wanting to know what history means beyond the classroom

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Financial Aid Netflix This Month**

In some sort of inundated with displays and the cacophony of quick connection, the profound power and psychological resonance of verbal art often fade in to obscurity, eclipsed by the continuous assault of noise and distractions.
