[Choice](#) Raymond Ngaiza, 2022-06-13. Have you ever felt like life is getting away from you? We all know what it is to sometimes feel like mere passengers along for the ride, victims of circumstances outside of our control. In this striking work of self-help literature, author Raymond Ngaiza takes up arms against this familiar feeling, showing the myriad ways we determine the course of our lives through the choices we make, whether they be personal or professional, big or small. Inspired by his own experiences of career and lifestyle changes, in leaving his training for priesthood, going back to school, taking up writing, and becoming a husband and father, Ngaiza draws on a fascinating array of religious and secular texts, as well as politics, pop culture, and his own life to show us how we can make the difference in our lives and in the world. Careful to examine all sorts of important dynamics that may come into play in decision-making, from being met with a lack of choice
