Artificial Intelligence in Marketing K. Sudhir, Olivier Toubia, 2023-03-13 Review of Marketing Research pushes the boundaries of marketing broadening the marketing concept to make the world a better place Here leading scholars explore how marketing is currently shaping and being shaped by the evolution of Artificial Intelligence AI *Managing Your Professional Identity Online* Kathryn E. Linder, 2023-07-03 In higher education professional online identities have become increasingly important A rightly worded tweet can cause an academic blog post to go viral A wrongly worded tweet can get a professor fired Regular news items in The Chronicle of Higher Education and Inside Higher Ed provide evidence that reputations are both built and crushed via online platforms Ironically given the importance of digital identities to job searches the promotion and distribution of scholarly work pedagogical innovation and many other components of an academic life higher education professionals receive little to no training about how to best represent themselves in a digital space *Managing Your Professional Identity Online* A Guide for Higher Education fills this gap by offering higher education professionals the information and guidance they need to craft strong online biographical statements for a range of platforms prioritize where and how they want to represent themselves online in a professional capacity intentionally and purposefully create an effective brand for their professional identity online develop online profiles that are consistent professional accurate organized of good quality and representative of their academic lives regularly update and maintain an online presence post appropriately in a range of online platforms and environments and successfully promote their professional accomplishments *Managing Your Professional Identity Online* is practical and action oriented In addition to offering a range of case studies demonstrating concrete examples of effective practices the book is built around activities templates worksheets rubrics and bonus materials that walk readers through a step by step guide of how to design build and maintain professional online identities

Violence in Popular Culture Laura L. Finley, 2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children s psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does *Violence in American Popular Culture* provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United

States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue

111 Tips on How to Market Your Book for Free Doris-Maria Heilmann, 2021-03-31 This second totally revised expanded and updated edition of the popular book marketing guide shows writers and publishers how to market books for free Confused about how to build an author platform Frustrated with slow marketing progress Discover how to create a viable online author presence in this valuable and informative book e 111 Tips on How to Market Your Book for Free Detailed Plans and Smart Strategies for Your Book s Success Creating an online presence can be a daunting task for the author Promoting yourself and a book can quickly lead to becoming overwhelmed Strategize your writing career by planning how to publish publicize and launch your book Learn how to get your books in bookstores and libraries and successfully contact television and radio stations and bloggers Develop a solid plan to market your book and watch your sales grow Are you ready to elevate your book promotion For newcomers and seasoned authors e 111 Tips on How to Market Your Book for Free e delves deeply into the mechanics of taking your writing career to the next level With more links and resources this book can easily become invaluable to the writer Although it may be dense with information the content is much more detailed Reviewer e I liked the author s tips on how to build online relationships As someone who avoids social media it has been the bane of my author s existence I really appreciated how the author breaks down how to work on social media Short to the point succinct Finally I get it I am so excited to implement so many of these ideas I was also thrilled to read the section on how to pitch to television and radio Another superb writer s resource book from an excellent author e

Value-creation in Middle Market Private Equity John A. Lanier, 2016-02-17 Value creation in Middle Market Private Equity by John A Lanier holistically examines the ecosystem relationships between middle market private equity firms and their portfolio companies Small business is the job creating engine in the US economy and consequently is a prime target market for private equity investment Indeed private equity backs over six of each 100 private sector jobs Both the small businesses in which private equity firms invest and the private equity firms making the investments face inter and intra company fiduciary leadership challenges while implementing formulated strategy The architecture of each private equity firm portfolio company relationship must be uniquely crafted to capitalize on the projected return on investment that is memorialized in the investment thesis Given the leveraged capital structure of portfolio companies the cost of a misstep is problematic Individual private equity professionals are typically members of multiple investment teams for the firm Not only may each investment team have its own unique leadership style but its diverse members have to assimilate styles for each team in which they participate relative to a specific portfolio company Acquisitions and their subsequent integrations add exponential complexity for both private equity investment and portfolio company leadership teams indeed cultural integration ranks among the most chronic acquisition obstacles Accordingly the stakeholders of private equity transactions do well to embrace leadership best practices in applying value creation toolbox

best practices The perspectives of both the private equity investment team and the portfolio company leadership team are within the scope of these chapters

You Will Be Made to Care Erick Erickson,Bill Blankschaen,2016-02-22 Religious liberty is under attack in America Your freedom to believe may not last much longer To all those who say they don t care about the culture war Erick Erickson has only one response The Left will not let you stay on the sidelines You will be made to care Now the former Editor in Chief of RedState com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion secularism one intent on systematically imposing its agenda and frightening doubters into silence The book features first hand accounts from Christians who ve been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can t afford to ignore what s happening not anymore You Will Be Made to Care offers hope for preserving freedom of conscience with practical steps that believers families pastors church leaders and citizens can take to resist tyranny and experience a resurgence of faith in America

Social eCommerce Stephan Spencer,Jimmy Harding,Jennifer Sheahan,2014-08-01 Want to make money online Then ignore social media at your own risk Social media is vital if you want to your business to thrive and though you can t control the conversations you can influence them This book will teach you how If mismanaged social media can create more noise than signal It can be a time and energy suck for you and your audience Or worse still it can become an echo chamber for negative PR If done well guerrilla social media marketing can help you persuade command attention establish dialogue differentiate yourself capture new markets and outmaneuver the competition all on a shoestring budget Whether you re selling digital goods and services physical goods or local services this book has the answers Strategize and optimize your social presence in ways you didn t know were possible Drive more clicks and sales with better performing Facebook ads Develop remarkable content with viral potential Manage your online reputation instead of letting it manage you Integrate social media into your SEO strategy and vice versa Leverage online influencers to promote your brand and become an influencer yourself

Recharge Your Library Programs with Pop Culture and Technology: Linda D. Behen,2013-06-17 Learn how to integrate pop culture and technology into school library programs and classrooms and make today s digital content mobile devices and students changing interests work to the educator s advantage Today s school libraries need to evolve and meet the needs of 21st century students the instruction programming and library services must be relevant to today s learners Additionally the interactions between educators and the students are what make the critical difference in the students learning and turn the library and classroom into places where they will find assimilate experience and understand information This book provides practical strategies for using pop culture and technology trends to connect with easily distracted middle and high school students and hold their attention Author Linda D Behen addresses why school libraries are in transition and why there is a need for dramatic change She discusses the evolution of all libraries in response to digital content ubiquitous mobile devices such as smart phones iPads

and other tablet computers patrons changing interests and the ways in which schools and school libraries have found to effectively adapt to technology changes and student needs This book is essential for middle and high school librarians and educators library school students and instructors and young adult public librarians *Unproductive School Choice Debates* John Merrifield,Nathan Gray,2023-05-22 The book explains why we desperately need an Open Education Industry It clearly defines the term and the confusion about what can should be done to improve schooling outcomes and why over 30 years of efforts to improve schooling outcomes has left all 51 US school systems far short of what is needed to engage all schoolchildren in high value instruction Because of past education failures especially poor basic literacy in economic systems many influential academics and activists have asserted the presence of adequate market forces where key elements of high performing markets are absent and have become pre occupied with discussion of and development of devastating inappropriate generalizations about findings from studies of narrowly targeted restriction laden expansions of access to alternatives to traditional public schools The book compares those to transformational school choice expansions and describes key steps towards the inertia that threatens the future of America as a prosperous and free republic

Multiple-Criteria Decision-Making (MCDM) Techniques and Statistics in Marketing Tarnanidis, Theodore,Papathanasiou, Jason,Ismyrlis, Vasileios,Kittu Manda, Vijaya,2025-03-13 Marketing has become increasingly popular utilizing multi criteria decision making MCDM methods and statistics to create robust frameworks for making informed and strategic decisions Computational and modeling breakthroughs have resulted in a significant increase in the use of MCDM methods in marketing in the past decade making it an ideal solution for many marketing problems Statistics can now be used to conduct MCDM analyses on a variety of marketing problems including new product introduction and pricing using multiple data sources Businesses can make more informed strategic and effective decisions by using MCDM methods and statistical analysis in marketing By using these tools marketers can improve market performance and competitive advantage by optimizing product development pricing strategies market segmentation and campaign effectiveness Multiple Criteria Decision Making MCDM Techniques and Statistics in Marketing explores the effects of MCDM techniques on marketing practices It covers a wide range of statistics and research to examine MCDM in shaping modern consumer science This book covers topics such as management science product development and consumer behavior and is a useful resource for marketers business owners data scientists academicians and researchers Marketing and Social Media Lorri Mon,Christie Koontz,2025-09-18 Marketing and Social Media A Guide for Libraries Archives and Museums is a much needed guide to marketing for libraries archives and museum professionals in the social media age This book is both an introductory textbook and a guide for working professionals on developing a comprehensively planned marketing campaign that integrates social media into a holistic marketing strategy Beginning with mission goals and objectives readers will put together working knowledge of the essential components for planning a marketing campaign Chapters cover how to do a strengths weaknesses

opportunities and threats SWOT analysis identify and involve stakeholders a 4 step marketing model market research market segmentation market mix strategy and evaluation The final chapter From the Social Media Manager s Perspective Putting it all Together guides readers through first days on the job of taking over an organization s social media marketing efforts and the steps to be taken in the first days weeks and months that follow including promotional and assessment activities Throughout the book chapters include examples from marketing campaigns key terms and discussion question activities which can be developed into classroom or workshop assignments Illustrative case study examples from libraries archives and museums are embedded throughout the chapters The new edition provides more extensive examples from all three types of institutions as well as other relevant nonprofit and government organizations and features updated coverage of social media technologies techniques and practices

Personalized Machine Learning Julian McAuley, 2022-02-03 Explains methods behind machine learning systems to personalize predictions to individual users from recommendation to dating and fashion

Publishing E-Books For Dummies Ali Luke, 2012-08-20 Publish market and sell your own e book Although creating an e book seems fairly straightforward it is not You need to select and create a variety of formats that will be read on a variety of e reader devices and market and sell your book in a variety of ways Before you take the plunge get this practical guide With clear instruction and sensible advice it will help you navigate the often confusing time consuming and costly world of self publishing an e book The book gives you solid marketing tips for selling your e book including using blogging and social media and how to build an online platform It also discusses key technologies you ll encounter including Smashwords iBooks Author Amazon Microsoft Word Open Office Calibre WordPress E junkie and others Helps readers navigate the confusing time consuming and often costly world of self publishing an e book Provides both technical how tos as well solid marketing advice on how to sell your e book using Facebook Twitter Goodreads and other social media sites Covers essential technologies such as Smashwords iBooks Author Amazon Microsoft Word Open Office Calibre WordPress and E junkie Explores e book devices including Kindle Kobo Sony Reader Nook iPad and other tablets Delves into the nitty gritty of e book formats Before you self publish your e book start first with Publishing eBooks For Dummies *Corporate Risks and Leadership* Eduardo E. Mariscotti, 2025-04-24 The context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law Because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of fines for noncompliance have increased dramatically In parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people This change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal with this more complex environment To transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition While each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain This book is a source of information that connects yesterday with today The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves This book covers theories

of ethics but with an eye focused on practical application Risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or technical and regulatory details Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations Thus due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors it seems appropriate that executives get access to this book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader This second edition offers various examples to cultivate ethical thinking and behavior identify common risks and comprehend their adverse effects on organizations
