How to Cheat in Sports Scott Ostler, 2010-07-01 It's no secret that pro athletes cheat. But how exactly do they do it? Original interviews with former professional athletes and coaches reveal step by step instructions and technical drawings on how to throw a spitball, become an unblockable linebacker, foul a jump shooter without getting caught, and other ways to gain an advantage over opponents. Hilarious accounts from insiders place these trade secrets in context, divulging what really happens in baseball, football, basketball, NASCAR, hockey, and even bowling, horseshoes, and kickball. When athletes say they give 110%, *How to Cheat in Sports* explains the extra 10%.

The NBA's Global Empire Joshua K. Wright, 2025-02-21 During the 1992 Summer Olympics in Barcelona, the Dream Team, a collective of the National Basketball Association's top talent led by Michael Jordan, Magic Johnson, Larry Bird, and Charles Barkley, shook up the world as they amazed spectators and opponents on their way to winning gold. Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball. Over the next two decades, youth outside of America dreamed of becoming the next Michael Jordan, Kobe Bryant, and LeBron James. The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies. By the 2022-23 NBA season, there were 109 international players from 39 countries, a Canadian franchise, and a league in Africa. Today's best players are Africans, Canadians, and Europeans like Nikola Jokic and Victor Wembanyama. This book presents the history of the NBA's ascension to a billion-dollar global empire, analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium. How essential is globalization for the NBA to thrive in the 21st century? Do the benefits outweigh the geopolitical controversies associated with being a global brand? Is globalization responsible for a decline in American-born NBA players and declining domestic popularity? These questions and others are answered in this first treatment of the NBA's global reach.

National Basketball Association Franchises Frank P. Jozsa Jr., 2017-02-09 This book examines the development and organization of the NBA and its clubs, how each club has performed in seasons and postseasons, and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment. Each chapter contains two core themes: Team Performance and Franchise Business. The former highlights how teams won division and conference titles and NBA championships, while the latter analyzes and compares financial data, including revenue, gate receipts, and operating income. The book also explores such things as when each franchise organized and why it joined the NBA, a brief profile of its current majority owner or ownership group, records of teams' special coaches and players' attendances at home games, and how their arenas rank as venues for fans. This book explains why particular teams located in very large, large, mid-sized, or small markets win more games and titles than others and when and how frequently this occurs. In addition, it provides ways to individually and by

division or conference compare basketball franchises from a financial perspective Jet ,1984-10-29 The weekly source of African American political and entertainment news **Jet** ,1984-10-29 The weekly source of African American political and entertainment news **Jet** ,1984-10-29 The weekly source of African American political and entertainment news

Among the Braves Shibani Mahtani, Timothy McLaughlin, 2023-11-07 Through the eyes of two frontline journalists comes a gripping narrative history of the Hong Kong pro-democracy movement centered around a cast of four core activists culminating in the 2019 mass protests and Beijing's brutal crackdown Hong Kong was an experiment in governance Handed back to China in 1997 after 156 years of British rule it was meant to be a carve-out between hostile systems a bridge between communism and

capitalism authoritarianism and liberal democracy One country two systems kept its media free its courts independent and its protests boisterous designed also to convince Taiwan of a peaceful solution to Beijing's desire for reunification Yet this formulation excluded Hong Kong's own people their future negotiated by political titans in faraway capitals In 2019 an ill conceived law spear headed by a sycophantic leader pushed millions to take to the streets in one of the most enduring protest movements the world has ever seen Xi Jinping responded with a draconian national security law that sought not only to end the demonstrations but quash the problem of Hong Kongers identity and desire for freedom Reverend Chu who believed Hong Kong had to carry the spirit of students at Tiananmen Square saw his silver haired comrades who birthed the city's modern pro democracy movement handcuffed and taken from their homes Tommy an art student radicalized into throwing Molotov cocktails watched braves like him brutalized by police before his own arrest prompted him to flee Finn epitomized the decentralized nature of the movement and its internet fueled victories but online anonymity couldn't stop his life from unravelling Gwyneth could predict her eventual fate when she chose to give up her career as a journalist to stand for election as an opposition candidate and did it anyway In *Among the Braves* Shibani Mahtani and Timothy McLaughlin tell the story of Hong Kong's past and what the sacrifices of its people mean for global democracy's shaky foundation

The definitive biography of a legendary athlete *The Shrug* *The Shot* *The Flu* Game Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names When most people think of him they think of his beautiful shots with the game on the line his body totally in sync with the ball hitting nothing but net But for all his greatness this scion of a complex family from North Carolina's Coastal Plain has a darker side he's a ruthless competitor and a lover of high stakes There's never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court until now Basketball journalist Roland Lazenby spent almost thirty years covering Michael Jordan's career in college and the pros He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know Michael Jordan *The Life* explores both sides of his personality to reveal the fullest most compelling story of the man who is Michael Jordan Lazenby draws on his personal relationships with Jordan's coaches countless interviews with Jordan's friends teammates and family members and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan the player the icon and the man **Breaking Boundaries** Gemma Blythe, 2023-06-30

One of the best poly romances I've ever read Goodreads review The beach isn't the only thing heating up on this couple's vacation My life is pretty perfect a house three kids and an amazing husband Nothing could convince me to risk everything I've built with Rafe Until we go on a couple's vacation with our best friends and it turns out our beach bungalow has unexpectedly thin walls and Darcy and Alec are definitely taking

this trip as an opportunity to ah reconnect The more I hear of Darcy in the room next door the more I find myself wanting to be there wanting to be the one that s giving her so much pleasure And when I confess my feelings to Rafe I m shocked to learn he s having the same thoughts about Alec There s just one problem we ve always been monogamous and so have they But what if I kissed Darcy just once What if Rafe kissed Alec It could simply lead to a vacation we ll never forget or it could change all of our lives forever Breaking Boundaries is a high heat bi romance that explores intimacy friendship and what happens when the two come together As it is the first in a four book series while this book ends with each married couple happily together please keep in mind there is no happily ever foursome yet Detailed content warnings are available on the author s website

Killer Crossover Tim Hardaway,2025-11-11 Considered one of the best point guards of his generation Tim Hardaway was a polarizing figure on the basketball court Known for his distinguished college career at UTEP Hardaway was selected in the first round of the 1989 NBA Draft by the Golden State Warriors He soon became a household name In Killer Crossover Hardaway shares stories from his tough upbringing in Chicago through his collegiate career and to the NBA As a part of Run TMC with fellow Warriors Mitch Richmond and Chris Mullin he immediately established himself as one of the top players on the hardwood Joining the Miami Heat in 1996 and along with teammates Alonzo Mourning Dan Majerle and Jamal Mashburn to name a few he would become a main protagonist in one of the most contentious rivalries in all of basketball against the New York Knicks A master trash talker and one of the best ball handlers Hardaway shares what it was like playing basketball in the nineties against some of the greatest to ever play the game including future Hall of Famers Michael Jordan Shaquille O Neal Patrick Ewing and Reggie Miller Never shy to speak his mind Tim Bug pulls back the curtain on the blood sweat and tears that went into becoming one of the most feared guards in the game and a future Hall of Famer But with the good comes the bad as Hardaway opens up about his hurtful and anti gay comments in 2007 and how a single radio interview turned his life upside down Though knocked down and painted as a hateful person he adapted his crossover mentality to humbling himself and learning from his mistakes Doing so he became a proponent for the LGBTQ community working closely with The Trevor Project and The YES Institute as well as being the symbolic first signer of a petition to overturn Florida Amendment 2 allowing same sex marriage in the state of Florida Killer Crossover is not just a basketball biography It is the story of a man who worked his way from humble beginnings to becoming an All Star at the highest level not to mention a father to a future NBA standout as well as all the trials and tribulations that come along with being one of the best in the game
