Vincent,2021-06-25 American higher education has served to prepare students to be active participants in a democratic society During a time of great civil upheaval following the tumultuous elections of 2016 and 2020 the outbreak of the COVID 19 pandemic and mass demonstrations following the murders of George Floyd and Breonna Taylor higher education may be the only institution left to be both responsible for and responsive to society at large Public trust in the federal government is at near record lows but confidence in higher education has decreased more than any other U S institution since 2015 In a time where public opinion is quickly changing for the better or the worse higher education must respond to this decline in trust in it as an institution but also the decline in the belief that a college degree is worth the time and cost Higher education was founded on the idea that colleges would prepare citizens for a life of public service but they have quickly changed to a business model that largely puts profits over people Practitioners of higher education must respond to this lack of trust and the pressures of preparing a 21st century workforce while battling the threats of a pandemic declining enrollment budget destabilization and increased regulation *The Proper Role of Higher Education in a Democratic Society* reexamines the purpose of higher education during rapidly changing times offers practical advice and best practices to reclaim higher education s most fundamental mission and argues that if higher education is called to prepare students to serve a government by the people the people must be prepared to govern effectively This book provides resources and suggestions for restoring the public faith in higher education by connecting the educational experience with civic engagement outcomes Diverse perspectives presented in this book challenge traditional notions that civic engagement is handled by one office on a college campus and is only discussed during a presidential election Covering everything from civic engagement to diversity perspectives this book is ideal for higher education practitioners and those interested in promoting civic engagement and democratic participation improving assessment or accreditation standards using a civic engagement perspective and infusing civic engagement to diversity conversations on campus *No Degree? No Problem* Markus Bohi,2025-12-02 Figuring out

the future can be overwhelming but No Degree No Problem makes it easier to map out a path to success This guide goes beyond the usual career advice exploring options like apprenticeships vocational training and even starting a business It helps build confidence organizational skills and emotional intelligence key tools for thriving in any field Packed with tips on overcoming fear of failure finding great mentors and staying focused in a world full of distractions No Degree No Problem gives teens and young adults strategies for turning skills and passions into career opportunities It also tackles the role of mental health in professional growth and offers advice on making the most of internships and volunteer work Whether pursuing a creative field a technical trade or launching a business No Degree No Problem provides the knowledge and strategies necessary to turn big dreams into reality
