TikTok On Sale Sign In:

Hoodwinked Mara Einstein, 2025-02-04 Powerhouse marketing expert narrator of Netflix's Buy Now documentary shows how today's biggest brands are using cult-like tactics to capture not just your wallet but your devotion. From viral leggings to must-have apps, Dr. Mara Einstein exposes the hidden parallels between cult manipulation and modern marketing strategies in this eye-opening investigation. Drawing from her unique background as both a former MTV marketing executive and a respected media studies professor, she reveals how companies weaponize psychology to transform casual customers into devoted followers. This groundbreaking book uncovers how social media platforms use anxiety-inducing algorithms to keep you trapped in a purchase panic cycle. The secret playbook marketers use to create brand religions around everyday products. Why even the most rational consumers fall prey to scarcity marketing and manufactured FOMO. Practical strategies to break free from manipulative digital marketing tactics. With compelling real-world examples and insights from industry insiders, *Hoodwinked* equips you with the knowledge to recognize and resist these sophisticated manipulation techniques. Dr. Einstein's expertise has been featured in *The New York Times*, *Wall Street Journal*, and *Harvard Business Review*, making her the perfect guide through the maze of modern marketing manipulation. Break free from the cult of consumerism, discover how to make mindful choices in an increasingly manipulative digital marketplace. Easy to read and such a good peek behind the curtain of for-profit companies and the ways they influence and manipulate us. Daniella Young, author of *Uncultured*.

Posner,2024-12-17 A guide for business leaders working to create socially conscious sustainable companies without sacrificing profit Amid international outcry over income inequality labor abuses and racial injustice Conscience Incorporated examines the gaps in current corporate social responsibility measures The rise of new technologies such as smartphones and social media have made it easier than ever to document and spread awareness of corporate misconduct Despite these developments large corporations often fail to meaningfully address the human rights abuses committed within their companies or as part of their global business practices

In Conscience Incorporated Michael H Posner addresses what lies at the root of the challenges global corporations face in addressing human rights failures by drawing on his extensive personal experience as a human rights lawyer State Department official under President Obama chair of the Fair Labor Association and Director of the Center for Business and Human Rights at NYU Stern School of Business Drawing from research into the history of business ethics and anchoring his argument with examples of companies publically accused of human rights abuses Nike Coca Cola Apple and more Posner provides a blueprint for global business leaders to navigate human rights challenges and adopt sustainable corporate practices Conscience Incorporated highlights the dangers of outsourcing labor to faraway nations and enforcing unfair deals with local suppliers Posner argues that growing public awareness has not been enough to meaningfully alter the unethical practices of some global businesses In doing so he reveals how these businesses have failed to prioritize human rights time and again betraying their vows to protect workers and communities Posner offers concrete reforms and argues compellingly for why businesses need to devote greater time and resources to protecting basic human rights Conscience Incorporated is a powerful challenge to the status quo and advocates for a fundamental shift in the principles that govern global businesses
