The Guncle Abroad Steven Rowley,2025-05-20 From the New York Times bestselling author of The Celebrants comes the much anticipated sequel to the Thurber Prize winning novel The Guncle in which Patrick

O'Hara is called back to his guncle duties this time for a big family wedding in Italy. Patrick O'Hara is back. It's been five years since his summer as his niece Maisie and nephew Grant's caretaker after their mother's passing. The kids are back in Connecticut with their dad, and Patrick has relocated to New York to remain close by and relaunch his dormant acting career. After the run of his second successful sitcom comes to a close, Patrick feels on top of the world professionally. But some things have had to take a backseat. Looking down both barrels at fifty, Patrick is single again after breaking things off with Emory. But at least he has a family to lean on. Until that family needs to again lean on him. When his brother Greg announces he's getting remarried in Italy, Maisie and Grant are not thrilled. Patrick feels drawn to take the two back under his wing. As they travel through Europe on their way to the wedding, Patrick tries his best to help them understand love much as he once helped them comprehend grief. But when they arrive in Italy, Patrick is overextended, managing a groom with cold feet, his sister Clara flirting with guests left and right, a growing rivalry with the kids, charming soon-to-be laundress lesbian aunt, and two moody young teens trying to adjust to a new normal, all culminating in a disastrous rehearsal dinner. Can Patrick save the day? Will teaching the kids about love help him repair his own love life? Can the change of scenery help Patrick come to terms with finally growing up? Gracing the page with his signature blend of humor and heart, Steven Rowley charms with a beloved story about the complicated bonds of family love and what it takes to rediscover yourself even at the ripe age of fifty. **Kanpur:**

Strapped to a cannon, an Indian rebel finds themselves answering to a British officer for the crimes of Kanpur, an Indian uprising against British colonial forces. Based on historical events, this new play comically satirises contemporary conflicts around gender, colonial violence, and making art in times of crisis. But who is the hero and who is the villain? Whatever happens, it's going to be explosive. This edition of *Kanpur 1857*, winner of the Pleasance's Charlie Hartill Fund, was published to coincide with the production at the Pleasance Theatre Edinburgh Festival Fringe in July 2025. **Heart on Fire** Amanda Bouchet, 2018-01-02
