Columbine Dave Cullen, 2009-04-06 Ten years in the works a masterpiece of reportage this is the definitive account of the Columbine massacre its aftermath and its significance from the acclaimed journalist who followed the story from the outset The tragedies keep coming As we reel from the latest horror So begins a new epilogue illustrating how Columbine became the template for nearly two decades of spectacle murders It is a false script seized upon by a generation of new killers In the wake of Newtown Aurora and Virginia Tech the imperative to understand the crime that sparked this plague grows more urgent every year What really happened April 20 1999 The horror left an indelible stamp on the American psyche but most of what we know is wrong It wasn't about jocks Goths or the Trench Coat Mafia Dave Cullen was one of the first reporters on scene and spent ten years on this book widely recognized as the definitive account With a keen investigative eye and psychological acumen he draws on mountains of evidence insight from the world's leading forensic psychologists and the killers own words and drawings several reproduced in a new appendix Cullen paints raw portraits of two polar opposite killers They contrast starkly with the flashes of resilience and redemption among the survivors Expanded with a New Epilogue

Style and Emotion in Comic Novels and Short Stories Agnes Marszalek, 2020-03-19 This book builds on cognitive stylistics humour studies and psychological approaches to literature and film to explore the emotional aspects of humorous narrative comprehension It investigates how the linguistic features of comic novels and short stories by for example Douglas Adams Joseph Heller and Nick Hornby can shape readers experience of comedy considering the ways in which moods characters and the plot is used to trigger blends of positive and negative emotion The book offers an approach to such features of comedy as dark humour cringe humour and comic suspense emphasising the relationship between

humorous language and mental states which are typically considered serious Agnes Marszalek's focus on the non humorous side of experiencing comedy offers a key contribution to the study of humorous narratives By investigating humour as part of a narrative world this book moves towards addressing the complexity of the experience of humour in narrative texts providing implications not only for the linguistics of humour but also for those approaches to discourse comprehension which explore the affective side of engaging with texts *Words Onscreen* Naomi S. Baron, 2015 In *Words Onscreen* Naomi Baron offers a fascinating and timely look at how technology affects the way we read *Narratives, Nerdfighters, and New Media* Jennifer Burek Pierce, 2020-11-15 For decades we've been warned that video killed the radio star and more recently that social media has replaced reading Nerdfighteria a first of its kind online literary community with nearly three million members challenges these assumptions It is the brainchild of brothers Hank and John Green who provide literary themed programming on their website and YouTube channel including video clips from John a best selling author most famous for his young adult book *The Fault in Our Stars* These clips not only give fans personal insights into his works and the writing process writ large they also provide unique access to the author inspiring fans to create their own fan art and make connections with one another In the twenty first century reading and watching videos are related activities that allow people to engage with authors and other readers Whether they turn to *The Fault in Our Stars* or titles by lesser known authors Nerdfighters are readers Incorporating thousands of testimonials about what they read and why Jennifer Burek Pierce not only sheds light on this particular online community she also reveals what it tells us about the changing nature of reading in the digital age In Nerdfighteria we find a community who shows us that being online doesn't mean disinterest in books
