Her Halloween Treat Tiffany Reisz, 2016-10-01 Trick or wicked treat It was a devastating dirty trick Joey Silvia just found out her boyfriend of two years is married What A Dick Joey knows her best chance to get over one guy is to get under another Of course heading home to her family's remote cabin in Oregon poses some challenges in the available men department until she discovers this cabin comes with its own hot handyman Holy crap Chris Steffensen When did her brother's best friend turn into a hard bodied pile of blond bearded hotness He's the perfect Halloween treat and a surprisingly dirty rebound guy For a couple of weeks anyway Except that Chris has other ideas like proving to Joey that this blast from the past is a whole lot more than a naughty Halloween hookup

At Home Anywhere Mary Hoffman, 2014-05-06 This collection of stories contains a multicultural thread which runs through all the pages bind the stories intimately together providing the reader with a seamless experience The tone and style flows continuously from story to story which allows the reader to experience the collection not as four isolated moments of multiculturalism but rather as a culmination of an entire world struggling to understand tolerate and accept the various cultural beliefs of the world In this prize winning collection of stories people from diverse cultural ethnic and class backgrounds respond to large historical events such as 9 11 and to forces beyond their individual control such as Hurricane Katrina others are frightened by the encounter whether in Indonesia or America and act against their own best interests At Home Anywhere celebrates common human experience and the daily confrontations between reason and passion This Many Voices project winner dazzles quietly like the work of Alice Munro or Carol Shields by drawing readers into the lives of characters trapped by unemployment cultural disorientation and family conflict Like high wire performers they teeter precariously and vividly on the brink of disaster but get their chance to survive if they can just face reality

modern contexts Diane E Goldstein Sylvia Ann Grider and Jeannie Banks Thomas take ghosts seriously as they draw on contemporary scholarship that emphasizes both the basis of belief in experience rather than mere fantasy and the usefulness of ghost stories They look closely at the narrative role of such lore in matters such as socialization and gender And they unravel the complex mix of mass media commodification and popular culture that today puts old spirits into new contexts

Digital Playgrounds Sara M. Grimes, 2021-07-30 Digital Playgrounds explores the key developments trends debates and controversies that have shaped children s commercial digital play spaces over the past two decades It argues that children s online playgrounds virtual worlds and connected games are much more than mere sources of fun and diversion they serve as the sites of complex negotiations of power between children parents developers politicians and other actors with a stake in determining what how and where children s play unfolds Through an innovative transdisciplinary framework combining science and technology studies critical communication studies and children s cultural studies Digital Playgrounds focuses on the contents and contexts of actual technological artefacts as a necessary entry point for understanding the meanings and politics of children s digital play The discussion draws on several research studies on a wide range of digital playgrounds designed and marketed to children aged six to twelve years revealing how various problematic tendencies prevent most digital play spaces from effectively supporting children s culture rights and ironically play Digital Playgrounds lays the groundwork for a critical reconsideration of how existing approaches might be used in the development of new regulation as well as best practices for the industries involved in making children s digital play spaces In so doing it argues that children s online play spaces be reimagined as a crucial new form of public sphere in which children s rights and digital citizenship must be prioritized
