Amazon.com *The F*ck You Price Method: Creating Offers That Get People Talking: Master the Art of Price Anchoring: Turn Perception into Profit* James Dooley, Steven Khanna, 2025-11-15 Most businesses play it safe with pricing and that's exactly why they struggle. If you're undercharging, afraid to push higher prices, or stuck in a race to the bottom, you're doing it wrong. The F*ck You Price Method is a game-changing pricing strategy that flips the script on traditional sales tactics. By leveraging price anchoring, you create high-ticket offers that make everything else look like a steal. Even if no one buys your most expensive offer, just having it there elevates your perceived value, attracts bigger buyers, and positions you as the authority in your industry. What You'll Learn Inside This Book: The psychology behind price anchoring and why it influences every purchase decision. How to craft a bold, high-ticket offer that boosts sales even if you never expect to sell it. The art of selling perception, not just products, so customers see your value before they see the price. How to create buzz and credibility using a pricing strategy that gets people talking. The mindset shift needed to charge with confidence and stop leaving money on the table. Why This Book Now Written by James Dooley, a successful entrepreneur who has scaled multiple businesses using advanced pricing and marketing strategies, and Steven Khanna, a high-energy sales expert with a track record of closing six-figure deals, this book is your roadmap to taking control of your pricing and making your competition irrelevant. If you're ready to stop undercharging, start positioning yourself as a premium brand, and finally take your business to the next level, this book is for you. Read *The F*ck You Price Method* today and learn how to turn pricing into your ultimate sales weapon. *iPhone Game Development* Chris Craft, Jamey McElveen, 2009-10-27 New Apple Developer Series. The Hero Trap Thomas Kolster,2020-05-28 Most companies today are firmly on the social and environmental issues bandwagon like bees around a honey pot from plastic in oceans through to diversity As a result people are increasingly distrustful of these efforts which they view as cheap marketing stunts meant to wow people into buying more Try to fly like a superman and you will come down like a tin of soup Market economists have long told us that we re driven only by money and status but the inherent human truth that cuts across age culture and gender uncovers a stronger force we wish to be in charge of our own lives and our own happiness Through extensive growth and affinity research world renowned purpose pioneer Thomas Kolster uncovers a simple answer that is key to driving marketing growth in the 21st century if you put people in control of the marketing mix from products to promotion they can grow and in turn grow your organisation This book explains the meteoric rise of a company like AirBnB how a 20 something Swede Maria de la Croix built a global coffee empire like Wheelys in just a few years and how a group of friends hanging out in a bar in Melbourne created one of the largest global non profits fighting for men s health Movember and how you can empower people to do the same Today s power no longer rests in the hands of the privileged few but in the talented many It is time for you to unleash that power in numbers Drawing on top line marketing case studies and in depth interviews Kolster demonstrates how people are truly motivated to act when they re in charge of their own life and happiness Who can you help me become is the one essential question you need to be asking and acting on to chart a new course for your organisation changing behaviours at scale and unlocking sustainable growth that benefits all

Chicken Soup for the Soul: My Kind (of) America Amy Newmark,2017-08-29 The true spirit of America is found in its people who both embrace their differences and find their common ground These 101 stories showcase an America filled with good people who volunteer in their communities help their neighbors and pride themselves on doing the right thing This is the America that

we know and love the one filled with citizens new and old who work hard perform random acts of kindness and see a path to a better future Read about The African American woman who takes comfort in recalling that her mother as a child in the segregated South was welcomed to the front of the bus by her white neighbors The friendship that developed between a Florida mosque and the elderly Jewish residents of a highrise next door after a hurricane knocked out power and members of the mosque carried food and water to the stranded residents for days The injured football coach who gave half the proceeds from a town fundraiser for his benefit to another injured resident who needed the money as well The Ferguson Missouri restaurant that was protected from looting by a chain of its customers standing arm in arm The couple who bought a gift card for a struggling military family in a restaurant only to discover other patrons had already done the same The Latin American immigrant who cleaned houses and scraped together money for her education becoming California State Teacher of the Year and 95 more stories that will make you proud to be an American **Sociology of Waiting** Paul Christopher

Price,2021-05-04 In Sociology of Waiting Paul Christopher Price investigates how people wait and analyzes what individuals do while waiting It is a key feature within U S and other societies waiting is universal Sociologically waiting gets at order and our ability or inability to pause Crowds cannot rush into concert venues and supermarket clerks cannot check out customers simultaneously So we must wait In all our waiting we ve developed strategies and structures for delays and such methods and structures provide order as well as understanding we recognize why we wait The sociology of waiting is a classic piece of everyday sociology a timeless piece of routine behavior Waiting is as natural as breathing eating and drinking indeed mothers wait nine months before infants are brought to term and summer will always follow spring Waiting provides its own lessons That is watching cars weave through traffic and receive citations by police we learn that waiting may have saved time and money Shining the light on waiting permits a far superior understanding of order and how our society organizes itself around taking turns Waiting is a matter that takes up much of our valuable time and resources consequently reducing wait time has become big business **An Apple Story** Can Akdeniz,2014-11-17 The secret to sales success is something that

companies spend years searching for it is the ultimate goal for any business However selling well enough to break even is quite a bit different than selling enough to put you in the record books Apple Inc has spent the past 15 years climbing to the top of the technology market a spectacular rise that has been accelerated by more than 500 million iPhone sales in less than seven years Apple s unique strategies to reach such unprecedented heights are included in this book and can act as valuable lessons for other companies to expand into the next echelon of success
