The Wall Street Journal ,2009 Creating Business and Corporate Strategy Adyl Aliekperov,2021-06-13 Businesses need strategies that determine the direction of functioning and further development If a company deals with several multifaceted businesses each of them subsequently requires their own strategy The issue of strategy creation and realization is a key factor that must receive the closest possible attention In order to assure victory and be thoroughly prepared for various directions and situations that may arise companies create their own unique strategies This book is primarily aimed at suggesting the necessary repertoire of knowledge and skills for strategy creating with the help of the TASGRAM integrated system Thinking Analyzing Strategy Goals Risks Actions and Monitoring The main outcome of TASGRAM is a combined strategic table business strategy corporate strategy goals risks actions and monitoring Each element in TASGRAM has a concrete goal and it helps users become more focused Creating Business and Corporate Strategy An Integrated Strategic System offers a new tool for company strategy creation showcasing various cases and examples based on theory and practice Unlike the existing tools the suggested system of strategy creation is simpler and definite Its main purpose is to help create and further develop the created strategy making this book especially valuable to researchers academics practitioners and students in the fields of strategy leadership and management **U.S. News & World Report** ,2008 **Information Needs of Communities** Steven Waldman,2011-09 In 2009 a bipartisan Knight Commission found that while the broadband age is enabling an info and commun renaissance local communities in particular are being unevenly served with critical info about local issues Soon after the Knight Commission delivered its findings the FCC initiated a working group to identify crosscurrent and trend and make recommendations on how the info needs of communities can be met in a broadband world This report by the FCC Working Group on the Info Needs of Communities addresses the rapidly changing media landscape in a broadband age Contents Media Landscape The Policy and Regulatory Landscape Recommendations Charts and tables This is a print on demand report United States of Americana Kurt B. Reighley,2023-12-15 A field guide to the new American Roots movement United States of Americana is a vivid fascinating and comprehensive survey of how and why young urban Americans are finding inspiration in the cultural traditions of an earlier time in many areas of contemporary life Compiled by Seattle based writer DJ and entertainer Kurt B Reighley United States of Americana explores this vibrant cultural phenomenon from the music to the clothing to the food and drink to the rebirth of home canning straight razors burlesque and circuses **U.S. News and World Report** ,2007 **Headlines That Matter** Kavita Chandran,Saldene Lyte,2025-08-01 An in depth exploration of how breaking news affects investor sentiments and trader decisions and ultimately the stock market Glued to their screens for news alerts financial traders must quickly decipher which ones are most reliable in order to make effective trading decisions Journalists know that the headlines they craft must instantly grab the attention of a trader This book focuses on the relatively unknown Headlines desk in newswire services where journalists

type breaking news for subscribers and the public Drawing on their experiences as former Bloomberg headline writers Chandran and Lyte reveal the processes of these teams that deftly link the two sides of news information and interpretation The insights this book offers will benefit students of both business journalism and finance as well as CEOs corporate communications directors wealth managers investors and traders **"One more thing"** Charlotte Erdmann, 2011 *The Times Index*, 2013-06 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Time educational supplement Scotland and the Times higher education supplement *Dogfight* Fred Vogelstein, 2024-03-26 Behind the bitter rivalry between Apple and Google and how it s reshaping the way we think about technology The rise of smartphones and tablets has altered the industry of making computers At the center of this change are Apple and Google two companies whose philosophies leaders and commercial acumen have steamrolled the competition In the age of Android and the iPad these corporations are locked in a feud that will play out not just in the mobile marketplace but in the courts and on screens around the world Fred Vogelstein has reported on this rivalry for more than a decade and has rare access to its major players In *Dogfight* he takes us into the offices and board rooms where company dogma translates into ruthless business behind outsize personalities like Steve Jobs Apple s now lionized CEO and Eric Schmidt Google s executive chairman and inside the deals lawsuits and allegations that mold the way we communicate Apple and Google are poaching each other s employees They bid up the price of each other s acquisitions for spite and they forge alliances with major players like Facebook and Microsoft in pursuit of market dominance *Dogfight* reads like a novel vivid nonfiction with never before heard details This is more than a story about what devices will replace our cell phones and laptops It s about who will control the content on those devices and where that content will come from about the future of media and the Internet in Silicon Valley New York and Hollywood *The Economist*, 2008 **PC World**, 2009-07

Chokepoint Capitalism Rebecca Giblin, Cory Doctorow, 2022-09-27 A call to action for the creative class and labor movement to rally against the power of Big Tech and Big Media Corporate concentration has breached the stratosphere as have corporate profits An ever expanding constellation of industries are now monopolies where sellers have excessive power over buyers or monopsonies where buyers hold the whip hand over sellers or both In *Chokepoint Capitalism* scholar Rebecca Giblin and writer and activist Cory Doctorow argue we re in a new era of chokepoint capitalism with exploitative businesses creating insurmountable barriers to competition that enable them to capture value that should rightfully go to others All workers are weakened by this but the problem is especially well illustrated by the plight of creative workers From Amazon s use of digital rights management and bundling to radically change the economics of book publishing to Google and Facebook s siphoning away of ad revenues from news media and the Big Three record labels use of inordinately long contracts to up their own margins at the cost of artists chokepoints are everywhere By analyzing book publishing and news live music and music streaming screenwriting radio and more Giblin and Doctorow deftly show how powerful corporations construct anti

competitive flywheels designed to lock in users and suppliers make their markets hostile to new entrants and then force workers and suppliers to accept unfairly low prices In the book s second half Giblin and Doctorow then explain how to batter through those chokepoints with tools ranging from transparency rights to collective action and ownership radical interoperability contract terminations job guarantees and minimum wages for creative work Chokepoint Capitalism is a call to workers of all sectors to unite to help smash these chokepoints and take back the power and profit that s being heisted away before it s too late
