a Novel in 90 Days Conrad Jones,2013-10-21 This concise guide tells you how to write a novel by using a systematic approach to writing This guide is written by an author not a guru A simple step by step breakdown of how to plan each day No fillers and no theory just the hard facts in a concise guide There are many guides about writing novels on the market but how many of them are written by prolific published authors The answer is not many How can anyone write a guide unless they have been through the writing process many times before The simple answer to this question is they can't because they cannot feed on their own actual experiences to help another writer to avoid the mistakes and pitfalls Most guides regurgitate information which they have picked up from creative writing books or sites How can they give you advice when they have never sat down and focused on creating a novel which will sell many times over Writing a novel is the same as any other task we undertake as individuals We have to learn how to do it in order to do it well When you first learn to drive you need lessons No one walks into the kitchen and creates a gourmet dish on their first attempt If you want a system to apply to writing a book then you need to take advice from an author who has taken years to develop the process via experience Power Up
