L. Rio, 2017-06-13 A vivid and immersive story of obsession perfect for fans of dark academia and Donna Tartt s The Secret History Oliver Marks has just served ten years for the murder of one of his closest friends a murder he may or may not have committed On the day he s released he s greeted by the detective who put him in prison Detective Colborne is retiring but before he does he wants to know what really happened ten years ago As a young actor studying Shakespeare at an elite arts conservatory Oliver noticed that his talented classmates seem to play the same roles onstage and off villain hero tyrant temptress though Oliver felt doomed to always be a secondary character in someone else s story But when the teachers change up the casting a good natured rivalry turns ugly and the plays spill dangerously over into life When tragedy strikes one of the seven friends is found dead The rest face their greatest acting challenge yet convincing the police and themselves that they are blameless **Malibu Rising: A Read with Jenna Pick** Taylor Jenkins Reid, 2021-06-01 NEW YORK TIMES BESTSELLER Read with Jenna Book Club Pick as Featured on Today From the author of Carrie Soto Is Back Daisy Jones brothers Jay and Hud one a championship surfer the other a renowned photographer and their adored baby sister Kit Together the siblings are a source of fascination in Malibu and the world over

especially as the offspring of the legendary singer Mick Riva The only person not looking forward to the party of the year is Nina herself who never wanted to be the center of attention and who has also just been very publicly abandoned by her pro tennis player husband Oh and maybe Hud because it is long past time for him to confess something to the brother from whom he s been inseparable since birth Jay on the other hand is counting the minutes until nightfall when the girl he can t stop thinking about promised she ll be there And Kit has a couple secrets of her own including a guest she invited without consulting anyone By midnight the party will be completely out of control By morning the Riva mansion will have gone up in flames But before that first spark in the early hours before dawn the alcohol will flow the music will play and the loves and secrets that shaped this family s generations will all come rising to the surface Malibu Rising is a story about one unforgettable night in the life of a family the night they each have to choose what they will keep from the people who made them and what they will leave behind

Economics for a Healthy Planet Iain Miller, 2021-04-26 Scientists have told us we are destroying the planet Most of us get it we have even declared a climate change emergency So why aren t we treating it like an emergency As long as we strive to grow our economies we will consume more man made goods that damage the planet and take our lives further away from nature Economic growth over the past century is unprecedented but the majority of the increased prosperity has been enjoyed by a tiny minority of billionaires while most of us feel far from wealthy We are trapped in vicious circles where the more we grow our economies the more we need to earn and spend to take part in modern society With the tipping point for irreversible damage from climate change only 10 years away we cannot simply rely on individuals to do their bit we also need top down policies to change collective behaviours This book proposes economic policies which access the vast profits of multinationals and billionaires to share the wealth with the many not the few break the vicious circles of economic growth and instead harness virtuous circles of nature in a way that is accessible to those outside the technical world of economics

Eat Everything Dawn Harris Sherling, 2023-05-02 Discover the surprising reason restrictive diets don t work and a practical science based guide to reclaim your health through the power of real food Carbs aren t causing your weight gain Dairy may not be the reason for your upset stomach And your liver isn t fatty because of the occasional hamburger It s time to enjoy eating everything again and to reclaim our health along the way Eat Everything offers a better alternative to complicated minimally effective and highly restrictive diets Physician Dawn Harris Sherling lays out compelling new evidence implicating food additives as the real culprits behind diet related diseases and shares simple actionable advice to heal We re constantly told to fear carbs gluten and dairy and we turn to strict diets to solve our health problems Yet Americans still have one of the highest rates of obesity and diabetes in the world and millions suffer from digestive ailments like irritable bowel syndrome IBS Digging into emerging research Dr Sherling realized it s not the foods but the food additives especially emulsifiers that are at the root of our problems Our bodies can t digest them but they feed our microbiomes and they re everywhere in the ultra processed foods that make up about half of our daily diets In
