Dear Mr. Locke,

I'm writing to you regarding the marketing role that opened up at Hart Marketing recently. I came across the job description on LinkedIn and was delighted to find that my academic accomplishments meet all of the necessary requirements. I am seeking a challenging but rewarding internship, which is why I was drawn to this exciting opportunity.

As a junior marketing student at the University of Georgia, I have acquired skills in advertising, PR, product development, and market research. Currently, I hold a 3.8 GPA and have been on the Dean's List every semester. I have strategically focused my coursework in the following areas:

- Marketing analytics
- Marketing management
- Survey research
- Strategic internet marketing
- Integrated marketing communications

Using my knowledge of the above, I designed a marketing campaign for a local pet grooming business that yielded an 8% return on investment. The campaign was so well received that I was awarded third place in UGA's business plan competition.

I would be delighted to have an opportunity to personally interview with you. Please accept the enclosed resume and feel free to contact me at your earliest convenience. I appreciate your time and consideration.

Sincerely,

Lauren Chen

An Insider's Guide to Publishing David Comfort, 2013-11-14 Perseverance is much more important than talent. Because so many talented people fall by the wayside, James Michener says, "The history of writing is full of authors striving to succeed in a hyper-competitive publishing world, contending with agents, editors, publishers, critics, and sometimes the greatest challenge of all: overnight success." For all of the extraordinary changes that have recently taken place, however, there are a few things that remain the same: Getting published still requires persistence, preparation, and smarts, as well as an understanding of how the business works, where it's been, and where it's going. *An Insider's Guide to Publishing* pulls back the industry curtain for millions of published and aspiring authors, revealing Hemingway's famous feuds, Poe's raving madness, Capote's vengeful wit, and much more. With clever insights and dark humor to spare, David Comfort, a thirty-year veteran of the publishing trenches, explores the achievements and failures of literary masters and editorial workaholics to show readers how they too can use their creativity and composure to overcome publishing pitfalls. Work with agents, editors, publishers, and critics like a pro. Deal with rejection and success while avoiding the madhouse. Navigate the pros and cons of both traditional and self-publishing. *An Insider's Guide to Publishing* shares the wicked wit and wisdom of some of the craziest and most ambitious authors and editors of all time, proving that even the talented need luck, pluck, persistence, and the inside scoop on this rapidly changing industry in order to succeed.

A Flight Through Life - An Aviator's Memoir (Dust Jacket) Albert J. DeGroote, 2013-12-12 *A Flight Through Life* begins with a boy growing up during World War II and records his youthful fascination with aviation. It follows his career in aviation from becoming a private pilot through his eventful life as an Aviation Cadet and his careers in both the Air Force and commercial aviation. Al DeGroote's captivating descriptions of his experiences give both pilots and non-pilots a feel for the excitement and wonder of flying while sharing with them the experience of being part of aviation's transition from the piston to the jet age. While aviation is the central theme of the narrative, Al's wide-ranging experience in command and staff

positions brings the non flying reader into his life as a war planner accident investigator and international affairs specialist As the U S Air Attach at the embassy in Laos he and his family experienced the tragedy of the fall of Southeast Asia first hand and he provides a ringside seat for the reader to observe the many blunders and few triumphs of that debacle **The Common Core in Action** Deborah J.
