Post-TV Michael Strangelove,2015-01-01 In Post TV Michael Strangelove explores the viewing habits and values of the post television generation one that finds new ways to exploit technology to find its entertainment for free rather than for a fee *Brandweek* ,2011 **Safe in My Arms** Sara Shepard,2021-07-27 The latest novel from Sara Shepard author of Reputation and the 1 New York Times bestselling Pretty Little Liars series When the principal of an elite California preschool is attacked three moms who feel like outsiders among the school s manicured and ultra wealthy community must work together to uncover what she s hiding figure out who s trying to frame them and make sure their own secrets stay hidden Andrea Lauren and Ronnie all see themselves as good loving moms who are trying their best but they each arrive at the Silver Swans preschool Welcome Breakfast with something to hide Andrea is running away from a past on the East Coast which she cannot afford for the other parents to discover Lauren is recovering from a postpartum condition her husband has warned her not to disclose And Ronnie is hiding herself and her daughter from the one man who could at any moment appear in their lives and ruin everything she holds dear They already feel like impostors among the school s community of polished parents But then notes appear in their children s backpacks after the first day at school Notes that indicate that someone knows their deepest darkest secrets and needs them gone Does someone not want them in the community Or is it something more menacing does someone know everything When the principal of the school is the victim of an almost fatal attack it quickly becomes clear that the Silver Swans community is not as flawless as the brochures and website would have you believe The three moms must band together to uncover the school s many secrets before the other suspicious parents and town police close in and use their outsider status to blame them and before they lose what they have worked so hard for

Mediaweek ,2010 **Economic Analysis of the Digital Economy** Avi Goldfarb,Shane M. Greenstein,Catherine E. Tucker,2015-05-08 As the cost of storing sharing and analyzing data has decreased economic activity has become increasingly digital But while the effects of digital technology and improved digital communication have been explored in a variety of contexts the impact on economic activity from consumer and entrepreneurial behavior to the ways in which governments determine policy is less well understood Economic Analysis of the Digital Economy explores the economic impact of digitization with each chapter identifying a promising new area of research The Internet is one of the key drivers of growth in digital communication and the first set of chapters discusses basic supply and demand factors related to access Later chapters discuss new opportunities and challenges created by digital technology and describe some of the most pressing policy issues As digital technologies continue to gain in momentum and importance it has become clear that digitization has features that do not fit well into traditional economic models This suggests a need for a better understanding of the impact of digital technology on economic activity and Economic Analysis of the Digital Economy brings together leading scholars to explore this emerging area of research **Binge and Bingeability** Arienne Ferchaud,2020-10-15 Binge

and Bingeability The Antecedents and Consequences of Binge Watching Behavior examines how the television industry has transformed over time to create the circumstances in which binge watching as a mass behavior can emerge and what role audiences have played in the rising prevalence of this behavior Arienne Ferchaud recognizing that this behavior did not spring fully formed from streaming services ties cultural approaches to binge watching with media psychology oriented theories including the concept of bingeability the likelihood that a specific show will be binge watched alongside the psychological impacts binge watching may have on viewers over time Scholars of media studies television studies sociology cultural studies and psychology will find this book particularly useful Passive and Active Measurement Neil
