Wie alle Völker ...? Reiner Bernstein, 2019-03-15 Der Titel *Wie alle Völker* geht auf eine Broschüre von Judah L Magnes des ersten Rektors der Hebräischen Universität in Jerusalem zurück Dieser betrachtete 1930 erstmals die Problematik im Verhältnis zwischen Moderne und Tradition zwischen Politik und Religion auf die sich seither durch die Geschichte des Staates Israel zieht Reiner Bernstein zeigt dass die Idee eines säkularen Nationalstaates gegen die von Anfang an bestehende theologische Grundausrichtung Israels nur schwer zum Zuge kam Er macht deutlich dass der politische Streit als Wesensmerkmal der Demokratie heute ersichtbar zeigt und den Einfluss der nationalistischen und ultrareligiösen Gruppierungen nicht mindern kann Und er hinterfragt wie der Widerstand gegen das Nationalstaatsgesetz vom Juli 2018 die Wende zur politischen Vernunft einleiten und internationalen Konventionen Respekt verschaffen kann

The Failure of the Two-State Solution Hani Faris, 2013-09-16 Diplomats politicians and activists alike have long laboured under the assumption that a two state solution is the only path to peace between the Israelis and the Palestinians But as this conflict continues unabated and violence and instability deepen it seems that the ideal of two states coexisting alongside each other and the ever elusive goal of peace slip further from reach *The Failure of the Two State Solution* examines the impasse in the Israel Palestine conflict exploring the reasons behind the breakdown of attempts to establish a meaningful Palestinian state This book therefore points to another

until recently unthinkable option a single bi national state in Israel Palestine with all inhabitants sharing in equal rights and citizenship regardless of ethnicity or faith Hani A Faris has drawn together a wide ranging and in depth analysis of the historical and current situation in Israel Palestine By analysing the history of the conflict in Israel Palestine and its numerous peace initiatives this book demonstrates how the current deadlock has been reached With a nascent Palestinian state hampered by Israeli security policy and internal political divisions and the continuing expansion of the Israeli settlements in the West Bank it is argued here that the viability of the two state solution seems to have run its course And so highlights the one state solution as an option and debates and develops the organisational steps and strategies on a local and international level that would enable the construction of a bi national state With scholars from the US Europe the Arab world and Israel analysing the possibility of a one state solution and the shortcomings of the two state track this is an important and ground breaking book for students of Politics International Relations Peace Studies and Middle East Studies and all interested in the resolution of this seemingly intractable conflict [The Handbook of Conflict and Peace Communication](#) Sudeshna

revelatory examination of the Nobel Peace Prize the most prestigious admired and controversial honor of our time The Nobel Prize regardless of category has always been surrounded by politics intrigue even scandal But those pale in comparison to the Peace Prize In Betraying the Nobel Norwegian writer Unni Turrettini completely upends what we thought we knew about

the Peace Prize both its history and how it is awarded As 1984 s winner Desmond Tutu put it No sooner had I got the Nobel Peace Prize than I became an instant oracle However the Peace Prize as we know it is corrupt at its core In the years surrounding World War I and II the Nobel Peace Prize became a beacon of hope and through its peace champions became a reference and an inspiration around the world But along the way something went wrong Alfred Nobel made the mistake of leaving it to the Norwegian Parliament to elect the members of the Peace Prize committee which has filled the committee with politicians more loyal to their political party s agenda than to Nobel s prize s prerogative As a result winners are often a result of political expediency Betraying the Nobel will delve into the surprising and often corrupt history of the prize and examine what the committee hoped to obtain by its choices including the now infamously awarded Cordell Hull as well as Henry Kissinger Al Gore and Barack Obama Turrettini shows the effects of increased media attention which have turned the Nobel into a popularity prize and a controversial and provocative commendation The selection of winners who are not peace champions according to the mandates of Alfred Nobel s will creates distrust So does lack of transparency in the selection process As trust in leadership and governance reaches historic lows the Nobel Peace Prize should be a lodestar Yet the modern betrayal of the Nobel s spirit and intentions plays a key role in keeping societal dysfunctions alive But there is hope Betraying the Nobel will show how the Nobel Peace Prize can again become a beacon for leadership a catalyst for change and an inspiration for rest of us to strive for greatness and become the peace champions our world needs
