Teaching and Learning the Love of God Joseph Ratzinger, 2017-07-13 This inspiring collection of homilies delivered by

Joseph Ratzinger Benedict XVI over six decades offers deep theological and historical insights on the meaning of the life and the witness of a Catholic priest When Pope Benedict XVI inaugurated the Year for Priests in 2009 he did so in conjunction with celebrating the 150th anniversary of the death of John Vianney the patron saint of all parish priests Benedict's purpose for that special year is the same purpose of this book of homilies to deepen the commitment of all priests to interior renewal for the sake of a stronger and more incisive witness to the Gospel in today's world As St John Vianney would often say The priesthood is the love of the heart of Jesus This touching expression makes us reflect on the immense gift that priests represent not only for the Church but for all mankind Contemporary men and women need priests to be distinguished by their determined witness to Christ These homilies are meant to illuminate and to inspire priests to renew their commitment to teaching and learning the love of God The homilies cover a wide variety of important topics on the priesthood all deeply rooted in Scripture including acting in persona Christi becoming an offering with Christ for the salvation of mankind being there for God's mercy and witnessing Christian joy **The Critic**, 1894 Practicing What Jesus Preached Stephen Chapin Garner, 2023-05-16 Daily devotions work wonders In this fine collection of reflections on the Sermon on the Mount Dr Garner encourages us to meditate upon Jesus's words consider their meaning put them into practice and pray for the Lord's blessing in the midst of work and life A verse a reflection a question a practice and a prayer will greet you as you travel for a month with Jesus putting his preaching into practice **Letters to Growing Pastors** Howard D. Vanderwell, 2018-02-14 All those who enter the pastoral ministry desire to succeed Yet they all find surprisingly that a number of key issues come up for consideration Most pastors find that most of these issues appear during the first ten years of pastoring During those years the pattern is determined which will point to the success or to the development of habits that will reduce effectiveness and produce stumbling In this warm personal from the heart book a long time pastor not only identifies twenty one potentially harmful issues if not handled well but he also provides counsel and direction in how they should be faced and handled Pastors in small rural churches where ministry seems simple and those in suburban churches which are a bee hive of activity as well as those in city parishes with new challenges every day will all find fresh insight here Ministries will be enhanced by learning from these issues that the author identifies All will be grateful for the warnings issued and the advice given
