Usa One Nation Under God? Jose Carlos Diaz, 2007-09 The U S A claims to be one nation under God If that God is the Christian God this statement is false The author of this book sets out to prove this thesis with the analysis of over a dozen U S war events spanning over a century The U S A is now the only world superpower How did it get there By walking down the path marked by Manifest Destiny With the arrival of the Mayflower the English Puritans believed that God preordained them to spread their eternal values throughout the world This presumptuous goal eventually became the U S expansionist policy the basis for its political and economical conquest of the world Uncle Sam disguised with a false philanthropy became the Northern Colossus He is shouting that the country where he lives is one nation under God however it really is against God Repent USA This book is demonstrating this hypocrisy through an examination of U S military interventions around the world starting with the explosion of the Maine in 1898 and ending with the Operation Iraqi Freedom in 2003

Religious Freedom in a Secular Age Michael F. Bird, 2022-05-03 Discover how to responsibly defend religious freedom for all without compromising your personal beliefs Religious freedom is a bitterly contested issue that spills over into political public and online spheres It s an issue that s becoming ever more heated and neither of the global political polarities is interested in protecting it While the political left is openly hostile toward traditional religion the political right seeks to weaponize it How can we ensure that religious freedom is truly about freedom of one s religion rather than serving an ethno nationalist agenda In Religious Freedom in a Secular Age Michael Bird New Testament scholar and author of Evangelical Theology has four main goals To

explain the true nature of secularism and help us to see it as one of the best ways of promoting liberty and mutual respect in a multifaith world To dismantle the arguments for limiting religious freedom To outline a biblical strategy for maintaining a Christian witness in a post Christian society To encourage Christians to participate in a new age of apologetics by being prepared to defend not only their own beliefs but also the freedom of all faiths While Bird does address the recent political administrations in the US his focus is global Bird who lives in Melbourne Australia freely admits to his anxiety of the militant secularism surrounding him but he also strongly critiques the marriage of national and religious identities that has gained ground in countries like Hungary and Poland The fact is that religion has a lot to contribute to the common good Religious Freedom in a Secular Age will challenge readers of all backgrounds and beliefs not only to make room for peaceable difference but also to find common ground on the values of justice mercy and equality One Nation Under God (DP) Bruce Riley Ashford,Chris Pappalardo,2015-12 When it comes to politics Christians today seem lost and confused Many Christians desire to relate their faith to politics but simply don't know how This book exists to equip the reader to apply Christianity to politics with both grace and truth with both boldness and humility The Palgrave Handbook of Religion and State Volume I Shannon Holzer,2023-10-11 The Palgrave Handbook of Religion and State Volume I Theoretical Perspective deals with the relationship between Religion and its long history that has played out throughout time and across the globe Countries in Africa the Middle East and Europe approach the subject of religion and the state in various ways While the word religion to westerners usually brings Christianity to mind in Japan it is Shintoism and Buddhism Volume II offers chapters on the relationship of both Shintoism and Buddhism to the Japanese state It is very easy to see how the deeply traditional Japanese citizens may come into conflict with the strictly secular Japanese state It also contains chapters about mosque and state as well as synagogue and state Christian Worldview Handbook David S Dockery,Trevin Wax,2019-11-01 The Christian Worldview Handbook features over 100 articles by notable Christian scholars to help Christians better understand the grand narrative and flow of Scripture within the biblical framework from which we are called to view reality and make sense of life and the world Guided by general editors David S Dockery and Trevin K Wax this handbook is an invaluable resource and study tool that will help you to discuss defend and clearly share with others the truth hope and practical compatibility of Christianity in everyday life Contributors Include Jason K Allen Bruce Riley Ashford Darrell L Bock Ted Cabal Graham A Cole C John Collins Paul Copan Choon Sam Fong Gregory B Forster Timothy George Douglas Groothuis George H Guthrie Thomas S Kidd Steve Lemke Jennifer A Marshall R Albert Mohler Jr Russell D Moore Christopher W Morgan David K Naugle Mark A Noll Karen Swallow Prior Mary J Sharp Kevin Smith Robert Smith Jr John Stonestreet Carl R Trueman Malcolm Yarnell III Christopher Yuan and more **The Gospel of Our King** Bruce Riley Ashford,Heath A. Thomas,2019-04-16 This accessible overview shows how the Bible with its 66 books dozens of authors and multiple genres comes together to provide an overarching story about God the King and explains how the Christian gospel and mission address the totality of human life

Written by a biblical scholar and a theologian The Gospel of Our King shows how any account of gospel and mission can only be understood in light of the whole biblical testimony The authors help us understand the Bible's overarching narrative as the story that encompasses everything This story revealed by God and centered on Jesus the King enables us to know and love God and to fulfill his purpose for our lives It is the framework within which we come to understand the Christian worldview the Christian gospel and the Christian mission When we understand how the whole Bible fits together to shape the totality of a Christian's life we will be prepared to show the goodness of Christ and the gospel to others in our personal social cultural and global contexts

Social Justice Goes To Church: The New Left in Modern American Evangelicalism

Jon Harris, 2020-10-06 The infusion of social justice into the gospel may well be the most dangerous problem facing the church today Yet it is going unnoticed in far too many circles Social Justice Goes to Church can serve as a wake up call Samuel C Smith Ph D Chair and Graduate Program Director Department of History Liberty University In order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history In the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them At first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause But after the defeat of Jimmy Carter the religious right stole the headlines Today a new crop of mainstream evangelicals has taken up the cause of the New Left whether they know it or not As pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down Their mission may be more successful but it is not new To understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement Social Justice Goes to Church The New Left in Modern American Evangelicalism answers from a historical perspective the vital question Why are American evangelicals moving Left The great injunction to the Church was to preach the Gospel to the world while not being of the world Social justice neatly reverses this trend preaching the ways of the world into the church That is not its only critical reversal The Gospel is about freedom from guilt and sin and bondage Social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition How important that a book of this nature should enter the fray right now I applaud Mr Harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching Douglas Kruger Author of Political Correctness Does More Harm Than Good How to Identify Debunk and Dismantle Dangerous Ideas

Politics in the Pulpit

Eric Ayala, 2023-05-16 Our nation is becoming ever more politicized Everything from the environment to human gender have become political issues While the old sentiment of not preaching politics from the pulpit may have once been good advice it is increasingly more difficult not to The problem preachers have is knowing how to wade through political issues without becoming a political pundit A preacher can end up either merely repeating party talking points or retreating into avoiding biblical topics to avoid dealing with political hot

button issues Thankfully our age is not the only one to have ever suffered political crises and we can learn from the preachers of the past One such preacher was John Chrysostom He was not just a preacher but also a man steeped in a sensitive political climate Through the work of a dedicated sermon series Chrysostom was able to calm tensions in a city who had rioted and destroyed statues of the emperor These Homilies on the Statues proved to be a pivotal and powerful example of political preaching By examining the homiletical methods of John Chrysostom s Homilies on the Statues we can learn how to responsibly and powerfully engaging political topics in our own day

America-A Purpose-Driven Nation Philip Michael Pantana, 2007-11 AMERICA A PURPOSE DRIVEN NATION ONE NATION UNITED ONE GOD JEHOVAH ONE LAW BIBLICAL Freedom of Religion The founding of America was Providential not accidental America was founded on purpose for a purpose freedom to worship as people please Christianity is the faith that gave birth to freedom of religion Because of this spiritual heritage America is known around the world for freedom the Bill of Rights ensures for all citizens beginning with religious tolerance Reversing Current Secular Trends What secularists are doing today is repressive to the First Amendment and offensive to Christians The secularist agenda to enact Hate Crimes laws designed contrary to biblical principles is a destructive form of government opposing the consent of the governed Ronald Reagan hero of conservatives said The frustrating thing is that those who are attacking religion claim they are doing it in the name of tolerance Question Isn t the real truth that they are intolerant of religion Reversing the current

trend of secularization in American society involves making two essential changes 1 quashing the unfriendly secularist war on faith and 2 overturning activist Courts which limit Judeo Christian expression in the public arena Real Problems Real Solutions This book features a Contract with Conservatives that offers real solutions to the vital issues we the people must come to grips with Like German reformer Martin Luther in October of 1517 Pantana nails 95 theses of conservatism on the false walls erected by secularists which separate church from state History is too filled with examples of this pattern for it to be ignored The silent majority must let its voice be heard loud and clear at the ballot box in the 2008 election For more information on the 95 proposals in the Contract with Conservatives visit www.purposedrivenation.com *Life, Marriage, and Religious Liberty* David S. Kruse,2015-04-14 The provocative and authoritative history of the origins of Christian America in the New Deal era We re often told that the United States is was and always has been a Christian nation But in *One Nation Under God* historian Kevin M Kruse reveals that the belief that America is fundamentally and formally Christian originated in the 1930s To fight the slavery of FDR s New Deal businessmen enlisted religious activists in a campaign for freedom under God that culminated in the election of their ally Dwight Eisenhower in 1952 The new president revolutionized the role of religion in American politics He inaugurated new traditions like the National Prayer Breakfast as Congress added the phrase under God to the Pledge of Allegiance and made In God We Trust the country s first official motto Church membership soon soared to an all time high of 69 percent Americans across the religious and political spectrum agreed that their country was one nation under God Provocative and authoritative *One Nation Under God* reveals how an unholy alliance of money religion and politics created a false origin story that continues to define and divide American politics to this day *Christian Ethics Introduced* Hans O.
