One Thousand Moons Krishnamurti At Eighty Five:

One Thousand Moons ,1985 *J. Krishnamurti* Meenakshi Thapan,2022-06-01 Teacher thinker writer and speaker J Krishnamurti 1895 1986 was an Indian educationist spiritual leader and key figure in world philosophy He raised significant questions about the state of the world about our tendency to remain passive conditioned and in a state of overwhelming confusion about how we relate to the world Through talks and writings spread over many decades and geographical locations he articulated an unconditioned reflective approach which emphasised self inquiry This volume provides an understanding of Krishnamurti s views on the human predicament in a disintegrating world marked by conflict divisions wars and climate change It also examines his educational thought and its enormous potential for change Krishnamurti argued that our minds are so conditioned that we are unable to look listen or learn without our prior knowledge that foregrounds the role of memory and time He highlighted the need to work with young children with a special focus on the school as the centrepiece of his perception for psychological development and educational excellence It is within an educational setting that Krishnamurti hoped that the seeds for individual and social change will be catalysed An introspective look at the life and legacy of an eminent twentieth century thinker this volume will be of great interest to students and researchers of philosophy education religion and spirituality South Asia studies modern history and the social sciences **Knocking at the Open**

Door R.E. Mark Lee,2016-09-30 J Krishnamurti 1895 1986 was thought by many to be a modern day equivalent of the Buddha In fact he was once even considered to be the second coming of Christ While many think it wonderful to live and work in close proximity with such a person its difficult to understand the depth of what this means and how challenging this might be In *Knocking at the Open Door* author R E Mark Lee provides an ordinary person view of what being close up and working together with such a man means how it challenges one at every turn and how it causes one to question ceaselessly even more deeply than one ordinarily would Lee offers an insightful candid and heartfelt narrative that reveals various unknown facets of the eminent world teacher J Krishnamurti and highlights his distinctive vision for education worldwide This comprehensive volume brings alive the practical and everyday interactions Lee had with Krishnamurti during a twenty year period in India and the United States *Knocking at the Open Door* shares a clear and honest account that demonstrates the challenges of working with Krishnamurti in running a school that is true to the teaching and yet able to function in the reality of modern parental student and educational establishment expectations Times of India Illustrated Weekly ,1986

Bombay ,1986 *Secularism* Mike King,2007-11-29 Spirituality is a difficult subject in the modern world Everywhere from popular media to the university from the bookshelf to the dinner table religions are derided or marginalised and public figures such as Richard Dawkins set upon anyone who admits to a belief in God It seems that science and religion are fundamentally at odds and that a mutual respect is unacceptable to either in their parallel pursuit of truth Yet the majority of Enlightenment authors engaged with both science and spirituality and did not lose their faith Today we tend to see these

authors as not having applied full scientific rigour to their religious beliefs but are we correct in dismissing this aspect of their lives so easily In Secularism Mike King examines the elements of religion philosophy and science which have contributed to an almost total disavowal of spirituality by contemporary western intellectuals He engages with a wide range of thinkers including Pythagoras Marx Spinoza Darwin and Nietzsche and incorporates detailed studies of a variety of spiritual leaders some of whom readers are unlikely to have considered in this way before to uncover why the western world no longer has any interest in devotion or accords it any respect India Today ,1986 Dialogues with Scientists and Sages Renée Weber,1986 This is the first book in which contemporary scientists and mystics share with us in their own words their views on space time matter energy life consciousness creation and on our place in the scheme of things The book is also the story of an American philosopher who with these dialogues ventures into ground breaking territory and of her search in America Europe India and Nepal for people whose work is at the center of our understanding of reality **Le Bestiaire des sages : De la fourmi au yéti** Sabine Edelmann,Éric Edelmann,1994-01-01T00:00:00+01:00 une poque de violence et d agressivité ce livre est un vivant témoignage de la compassion universelle qu ont prouvée les sages et les saints en particulier le gard des animaux De nombreuses anecdotes parfois touchantes parfois amusantes nous montrent quel point les bêtes sont sensibles la sagesse et au rayonnement des très spirituels Des rencontres originales porteuses d un grand enseignement *East West Journal* ,1985 **The Publishers' Trade List Annual** ,1985 Eastern Mysteries ,1991 Donated **Sanātana Dharma** Rubén Cedeño,2020-07-17 PRESENTACIÓN Sanatana Dharma Enseanza Eterna de Rubén Cedeño es una obra de grandes dimensiones eminentemente mística filosófica erudita teológica ontológica gnoseológica y multifacética compuesta de tres partes La Primera Parte expone la filosofía del Sanatana Dharma cuya traducción al castellano es Enseanza Eterna como se la conoce en India con su terminología original en sánscrito varios de los términos utilizados en este idioma han sido creados por el autor El texto está basado en la ancestral literatura de los Vedas Está escrito en el tradicional estilo védico de slokas en cuanto a contenido y no a su métrica y precediendo a algunos de sus capítulos y subtítulos se encuentra una invocación acorde al contenido A pesar del profuso uso de vocabulario sánscrito al lado de cada palabra en este idioma aparece su significado en castellano La Segunda Parte se refiere a la vida de nueve grandes maestros de la India que han sido ejemplo de la puesta en práctica del Sanatana Dharma La Tercera Parte narra en lenguaje ameno y de forma coloquial las impresiones y vivencias personales del autor en su recorrido por algunos lugares de la India relacionados con el Sanatana Dharma Esta obra reúne escritos de puño y letra realizados por él y también transcripciones de conferencias que ha dictado en innumerables sitios de la India Formando parte de la Colección Metafísica Sanatana Dharma se han publicado aparte de este compendio los siguientes títulos del mismo autor Krishna Bhagavad Gita Yoga Sutras de Patanjali Gautama Krishnamurti Teresa de Calcuta No Sufras Más Sutra del Corazón y Enseñanzas del Señor Gautama **Guide to Indian Periodical Literature** ,1987 **Library Journal** ,1985 Includes beginning Sept 15 1954 and on the 15th of each
