Settling Scores Danielle Stewart, 2014-11-21 Willow has been saved from a painfully dark past and handed a bright future By all accounts she should be happy But no one seems to understand that escaping evil hasn't left her feeling free of it The more people try to hold her close the harder she fights to get away Even the unconditional support from Edenville isn't enough to help her keep her head above water On a journey to settle scores and find answers to questions that haunt her memories Willow hopes to mend her heart Meanwhile the man she has pushed away time and again fights to show her the only chance she has at happiness is opening her heart to the love that is right in front of her But even Josh's loyalty has its limits how long before even he gives up on her considering she's already given up on herself **One White Lie** Jeannette
