One More Chance Abbi Glines, 2014-09-02 A new adult novel about Grant and Harlow in the Rosemary Beach series

Prequels, Coquels and Sequels in Contemporary Anglophone Fiction Armelle Parey, 2018-09-03 This book offers to delineate a key phenomenon in contemporary Anglophone fiction novel expansion when the plot and characters from a finished novel are retrieved to be developed in new adventures set before after or during the narrative time of the source text. If autographic and allographic sequels are almost as old as literature prequels that imagine the anteriority of a narrative and coquels that develop secondary characters in the same story time as the source text are more recent. The overall trend for novel expansion spread in the mid 1980s and 1990s and has since shown no sign of abating. This volume is organised following three types of relationships to the source texts even if these occasionally combine to produce a more complex structure. This book comprises 11 essays preceded by an introduction that examines narrative strategies, aesthetic, ethical and political tendencies underlying these novel expansions. Following the overview provided in the introduction, the reader will find case studies of prequels, coquels and sequels before a final chapter that encompasses them all and more. **Take a**
