Radio Drama Martin Grams, Jr., 2024-10-16 The free standing radios of the middle decades of the 20th century were invitingly rotund and proudly displayed nothing like today's skinny televisions hidden inside entertainment centers. Radios were the hub of the family's after dinner activities and children and adults gorged themselves on western adventure series like The Lone Ranger police dramas such as Calling All Cars and the varied offerings of The Cavalcade of America Shows often aired two or three times a week and many programs were broadcast for more than a decade comprising hundreds of episodes. This book includes more than 300 program logs many appearing in print for the first time drawn from newspapers script files in broadcast museums records from NBC ABC and CBS and the personal records of series directors. Each entry contains a short broadcast history that includes directors writers and actors and the broadcast dates and airtimes. A comprehensive index rounds out the work.

Special Features Indicates degree of clarity significance or relationship between references. Can be used with any translation or edition of the Bible. Is arranged like the Bible divided into the same books chapters and verses for ease of use. Provides a far more complete selection of cross references than can be found in any other source. Contains dozens of special study aids to help you develop powerful lessons or sermons straight from the Bible itself. Contains multiple indexes subjects figures of speech etc. Uses Strong's numbering system. Uses a new font that makes it easier to read than previous versions.
