Wigram,1996-01-01 This is the Greek concordance for non specialists Every Greek word in the New Testament is listed in Greek alphabetical order along with a brief rendering in English of every verse in which that word appears One major improvement each Greek word is defined so you can compare its various English translations Entries are coded to Strong's Concordance for additional assistance **Ultimate Things** Greg Carey,2012-11-09 Carey presents an

introduction to the elements of apocalyptic discourse in the Hebrew Bible the intertestamental texts of the Apocrypha and Pseudepigrapha and the Jewish and Christian apocalyptic texts He seeks to help modern readers perplexed by the rampant and somewhat outrageous depiction and interpretation of apocalyptic literature to see apocalyptic discourse as a flexible set of resources that early Jews and Christians could employ for a variety of persuasive tasks Carey examines each of the literary works that exhibit apocalyptic discourse He briefly introduces the date and language of each text and shows its basic contents Then he examines the particular topics and purposes of the work Carey concludes by showing a way to read the particular example of apocalyptic discourse as a whole in its own setting with its own purposes Carey invokes discourse as a category of study in an attempt to bring together the literary ideological and social dimensions of apocalyptic language He sees the genius of apocalyptic discourse in its ability to bring its audience into otherwise inaccessible mysteries concerning the future and the heavenly realms As theology apocalyptic discourse engages life's greatest questions the nature of God the desire for justice and the frustrations of human finitude As poetry it expresses the theological imagination in vivid symbols and conventional literary forms *Dictionary and Alphabetical Index to the Bible* Alexander Cruden,1800 *A Complete*
