

The background of the image is a detailed landscape painting. It depicts a rugged, rocky coastline with a prominent waterfall cascading down a steep cliff. The sky is filled with soft, golden light, suggesting a sunrise or sunset. In the foreground, the ocean is turbulent with dark, churning waves. A prehistoric dinosaur, possibly a T-Rex, is visible in the lower left corner, partially submerged in the water. The overall scene conveys a sense of ancient, divine creation.

believed they were more than symbolic and indeed took place in human history Not only does Menzies consider the ways Campbell and Lewis utilize myth in answering the question for their generation but he also probes the influence and presence of myth in philosophy media ethics history literature art music and religion in a contemporary context thus helping readers consider answers for their own age
