background of children's literature and nineteenth century British imperialism. It then offers a theoretical framework of postcolonial reading to decipher the colonial discourse employed in the selected children's adventure novels. As such the book offers postcolonial readings of R M Ballantyne's *The Coral Island* 1858, W H G Kingston's *In the Wilds of Africa* 1871 and H R Haggard's *King Solomon's Mines* 1885. It will appeal to students, academicians and researchers in fields such as postcolonialism, children's literature and British Imperialism.
