Art in America Frank Jewett Mather, Frederic Fairchild Sherman, 2008

The Routledge Introduction to American Women Writers Wendy Martin, Sharone Williams, 2016-04-28 The Routledge Introduction to American Women Writers considers the important literary historical cultural and intellectual contexts of American women authors from the seventeenth century to the present and provides readers with an analysis of current literary trends and debates in women's literature This accessible and engaging guide covers a variety of essential topics such as the transatlantic and transnational origins of American women's literary traditions the colonial period and the Puritans the early national period and the rhetoric of independence the nineteenth century and the Civil War the twentieth century including modernism the Harlem Renaissance and the Civil Rights era trends in twenty first century American women's writing feminism gender and sexuality regionalism domesticity ethnicity and multiculturalism The volume examines the ways in which women writers from diverse racial social and cultural backgrounds have shaped American literary traditions giving particular attention to the ways writers worked inside outside and around the strictures of their cultural and historical moments to create space for women's voices and experiences as a vital part of American life Addressing key contemporary and theoretical debates this comprehensive overview presents a highly readable narrative of the development of literature by American women and offers a crucial range of perspectives on American literary history

Sylvia Plath Gary Lane, 2019-12-01 Originally published in 1979 Sylvia Plath is one of the most controversial poets of our time For some readers she is the symbol of women oppressed For others she is the triumphant victim of her own intensity the poet pursuing sensation to the ultimate uncertainty death For still others she is a doomed innocent whose sensibilities were too acute for the coarseness of our world The new essays of this edited collection with a single exception all were written for this book broaden the perspective of Plath criticism by going beyond the images of Plath as a cult figure to discuss Plath the poet The contributors among them Calvin Bedient Hugh Kenner J D O'Hara and Marjorie Perloff draw on

material that most previous commentators lacked a substantial body of Plath's poetry and prose a moderately detailed biographical record and an important selection of the poet's correspondence The result is an important and provocative volume one in which major critics offer an abundance of insights into the poet's mind and creative process It offers insightful and original readings of many poems some like Berck Plag scarcely mentioned in previous criticism and fosters new understandings of such matters as Plath's comedy the development of her poetic voice and her relation to poetic traditions The serious reader whatever his or her initial opinion of Sylvia Plath is sure to find that opinion challenged changed or deepened These essays offer insights into a violently interesting poet one who despite or perhaps because of her suicide at age thirty continues to fascinate and trouble us

Revision as Resistance in Twentieth-Century American Drama M. Malburne-Wade, 2016-01-12 American dramas consciously rewrite the past as a means of determined criticism and intentional resistance While modern criticism often sees the act of revision as derivative Malburne Wade uses Victor Turner's concept of the social drama and the concept of the liminal to argue for a more complicated view of revision

The Writers Directory, 2013

The Cambridge Companion to Elizabeth Bishop Angus Cleghorn, Jonathan Ellis, 2014-02-17 Elizabeth Bishop is increasingly recognized as one of the twentieth century's most important and original poets Initially celebrated for the minute detail of her descriptions what John Ashbery memorably called her thinginess Bishop's reputation has risen dramatically since her death in part due to the publication of new work including letters stories and visual art as well as a controversial volume of uncollected poems drafts and fragments This Companion engages with key debates surrounding the interpretation and reception of Bishop's writing in relation to questions of biography the natural world and politics Individual chapters focus on texts such as *North and South* *Questions of Travel and Geography III* while offering fresh readings of the significance of Nova Scotia Massachusetts and Brazil to Bishop's life and work This volume explores the full range of Bishop's artistic achievements and the extent to which the posthumous publications have contributed to her enduring popularity

Modernism's Mythic Pose Carrie J. Preston, 2014-07-10 Modernism's Mythic Pose recovers the tradition of Delsartism a popular international movement that promoted bodily and vocal solo performances particularly for women This strain of classical antimodernism shaped dance film and poetics Its central figure the mythic pose expressed both skepticism and nostalgia and functioned as an ambivalent break from modernity

Cinematic Modernism and Contemporary Film Howard Finn, 2022-10-06 Cinema was the most important new artistic medium of the twentieth century and modernism was the most important new aesthetic movement across the arts in the twentieth century However what exactly is the relationship between cinema and modernism *Cinematic Modernism and Contemporary Film* explores how in the early twentieth century cinema came to be seen as one of the new technologies which epitomised modernity and how cinema itself reflected ideas hopes and fears concerning modern life Howard Finn examines the emergence of a new international style of cinema combining a poetic aesthetic of the image with genre based fictional narrative and documentary realism He provides concise

accounts of how theorists such as Andr Bazin Siegfried Kracauer Gilles Deleuze and Jacques Ranci re have discussed this cinematic aesthetic clarifying debates over terms such as realism classical and avant garde as well as recent controversies over terms such as slow cinema and vernacular modernism He further argues the influence of modernism through close readings of many contemporary films including films by Abbas Kiarostami B la Tarr Jia Zhangke and Angela Schanelec Drawing on a broad range of examples including Soviet montage Italian neorealism postwar new waves and the new cinema of Taiwan and Iran this book explores the cultural significance of modernism and its lasting influence over cinema

American Images of China Oliver Turner,2014-04-16 The United States and China are arguably the most globally consequential actors of the early twenty first century and look set to remain so into the foreseeable future This volume seeks to highlight that American images of China are responsible for constructing certain truths and realities about that country and its people It also introduces the understanding that these images have always been inextricable from the enactment and justification of US China policies in Washington and that those policies themselves are active in the production and reproduction of imagery and in the protection of American identity when seemingly threatened by that of China Demonstrating how past American images of China are vital to understanding the nature and significance of those which circulate today Turner addresses three key questions What have been the dominant American images of China and the Chinese across the full lifespan of Sino US relations How have historical and contemporary American images of China and the Chinese enabled and justified US China policy What role does US China policy play in the production and reproduction of American images of China Exploring and evaluating a wide ranging variety of sources including films and television programmes newspaper and magazine articles the records and journals of politicians and diplomats and governmental documents including speeches and legal declarations this work will be of great interest to students and scholars of US foreign policy American politics China studies and international relations
