Angstemotionen im Markusevangelium May-Britt Melzer, 2024-09-02 Das Markusevangelium endet mit Angst und Schrecken am leeren Grab und auch vorher durchzog Angstvokabular das ganze Evangelium May Britt Melzer untersucht dieses Vokabular mit einer Kombination aus kognitiv narratologischen und semantischen Methoden Unterst tzt durch Korpuslinguistik werden neue Aspekte von Angstemotionen im 1 Jh herausgearbeitet Es zeigt sich dass Angstemotionen sowohl in einer beziehungsabbrechenden als auch einer in beziehungs aufbauenden ehrf rchtigen Form verwendet werden Vor diesem Hintergrund ergeben sich f r das Markusevangelium drei Thesen Erstens verwendet Markus ausschlie lich die beziehungsabbrechende Form von Angst Diese steht in Verbindung mit dem im Evangelium diagnostizierten Mangel an Glauben Vertrauen und Verst ndnis Zweitens reagiert das Evangelium auf zeitgen ssische Diskussionen zum Thema Angst die bei r mischen Historikern mit dem Stichwort metus temporum verbunden sind Drittens bildet das Evangelium die Grundlage f r eine emotional community also eine Gruppierung die sich u a ber ihre Emotionen definiert *The Wiley Blackwell Companion to the Qur'an* Andrew Rippin, Jawid Mojaddedi, 2017-03-16 Fully revised and updated the second edition of The Wiley Blackwell Companion to the Qur'an offers an ideal resource for anyone who wishes to read and understand the Qur'an as a text and as a vital component of Muslim life While retaining the literary approach to the subject this new edition extends both the theological and philosophical approaches to the Qur'an Edited by the noted authority on the Qur'an Andrew Rippin and Islamic Studies scholar Jawid Mojaddedi and with contributions from other internationally renowned scholars the book is comprehensive in scope and written in clear and accessible language New to this edition is material on modern exegesis the study of the Qur'an in the West the relationship between the Qur'an and religions prior to Islam and much more The Wiley Blackwell Companion to the Qur'an is a rich and wide ranging resource exploring the Qur'an as both a religious text and as a

work of literature Hebrew Lexical Semantics and Daily Life in Ancient Israel Kurtis Peters, 2016-07-11 In Hebrew Lexical Semantics and Daily Life in Ancient Israel Kurtis Peters hitches the world of Biblical Studies to that of modern linguistic research Often the insights of linguistics do not appear in the study of Biblical Hebrew and if they do the theory remains esoteric Peters finds a way to maintain linguistic integrity and yet simplify cognitive linguistic methods to provide non specialists an access point By employing a cognitive approach one can coordinate the world of the biblical text with the world of its surroundings The language of cooking affords such a possibility Peters evaluates not only the words or lexemes related to cooking in the Hebrew Bible but also the world of cooking as excavated by archaeology **The Study of Greek and Roman Religions** Nickolas P. Roubekas, 2022-07-14 How should ancient religious ideas be approached Is religion an applicable term to antiquity Should classicists ancient historians and religious studies scholars work more closely together Nickolas P Roubekas argues that there is a disciplinary gap between the study of Greek and Roman religions and the study of religion as a category a gap that has often resulted in contradictory conclusions regarding Greek and Roman religion This book addresses this lack of interdisciplinarity by providing an overview criticism and assessment of this chasm It provides a theoretical approach to this historical period raising the issue of the relationship between theory of religion and history of religion and explores how history influences theory and vice versa It also presents an in depth critique of some crucial problems that have been central to the discussions of scholars who work on Graeco Roman antiquity encouraging us to re examine how we approach the study of ancient religions Figurines in Achaemenid Period Yehud Izaak J. de Hulster, 2017-12-01 Were there figurines in Yehud during the Achaemenid period and in particular in Jerusalem A positive answer to this question disproves the general consensus about the absence of figurines in Yehud which is built on the assumption that the figurines excavated in Judah Yehud are chronologically indicative for Iron Age II in this area aside from a few typological exceptions Ephraim Stern and others have taken this alleged absence of figurines as indicative of Jewish monotheism s rise Izaak J de Hulster refutes this no figurines monotheism paradigm by detailed study of the figurines from Yigal Shiloh s excavation in the City of David especially their contexts in Stratum 9 providing ample evidence for the presence of figurines in post 587 586 Jerusalem The author further reflects on the paradigm s premises in archaeology history the history of religion theology and biblical studies and particularly in coroplastics figurine studies **Technical Automation in Classical Antiquity** Maria Gerolemou, 2022-12-15 Technical automation the ability of man made or god made objects to move and act autonomously is not just the province of engineering or science fiction In this book Maria Gerolemou by taking as her starting point the close semantic and linguistic relevance of technical automation to natural automatism demonstrates how ancient literature performance and engineering were often concerned with the way nature and artifice interacted Moving across epic didactic tragedy comedy philosophy and ancient science this is a brilliant assembly of evidence for the power of automatic theatre in ancient literature Gerolemou starts with the earliest Greek literature of

Homer and Hesiod where Hephaestus self moving artefacts in the Iliad reflect natural forces of motion and the manufactured Pandora becomes an autonomous woman Her second chapter looks at Greek drama where technical automation is used to augment and undermine nature not only through staging and costume but also in plot devices where statues come to life and humans behave as automatic devices In the third chapter Gerolemou considers how the philosophers of the 4th century BCE and the engineers of the Hellenistic period with their mechanical devices contributed to a growing dialogue around technical automation and how it could help its audience glance and marvel at the hidden mechanisms of self motion Finally the book explores the ways technical automation is employed as an ekphrastic technique in late antiquity and early Byzantium

Greek History: Hellenistic: Oxford Bibliographies Online Research Guide Angelos Chaniotis, 2010-05 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com [A Companion to Assyria](#) Eckart Frahm, 2017-06-12 A Companion to Assyria is a collection of original essays on ancient Assyria written by key international scholars These new scholarly contributions have substantially reshaped contemporary understanding of society and life in this ancient civilization The only detailed up to date introduction providing a scholarly overview of ancient Assyria in English within the last fifty years Original essays written and edited by a team of respected Assyriology scholars from around the world An in depth exploration of Assyrian society and life including the latest thought on cities art religion literature economy and technology and political and military history *Information Resources in the Humanities and the Arts* Anna H. Perrault Ph.D., Elizabeth S. Aversa, Sonia Ramírez Wohlmuth, Cynthia J. Miller, Cynthia F. Miller, 2012-12-10 This familiar guide to information resources in the humanities and the arts organized by subjects and emphasizing electronic resources enables librarians teachers and students to quickly find the best resources for their diverse needs Authoritative trusted and timely Information Resources in the Humanities and the Arts Sixth Edition introduces new librarians to the breadth of humanities collections experienced librarians to the nature of humanities

scholarship and the scholars themselves to a wealth of information they might otherwise have missed This new version of a classic resource the first update in over a decade has been refreshed to account for the myriad of digital resources that have rewritten the rules of the reference and research world and been expanded to include significantly increased coverage of world literature and languages This book is invaluable for a wide variety of users librarians in academic public school and special library settings researchers in religion philosophy literature and the performing and visual arts graduate students in library and information science and teachers and students in humanities the arts and interdisciplinary degree programs

Ancient Near Eastern Iconography and the Bible Hans Ulrich Steymans, 2024-10-31 Examines the dilemma of whether ancient Near Eastern images while providing unique aspects of the world views of the cultures from which the Bible arose can be interpreted in a way that traceably relates them to the biblical text To avoid the danger of using images merely as illustrations for concepts found in the Bible one first needs to behold the image with its own right to been seen The essays within this volume describe the methods developed by Othmar Keel for bringing imagery into a dialogue with texts from the ancient Orient and their own interpretation including previously unpublished material from Keel The contributions begin with an overview of the scholarly work of Keel and the development of his aims and methods including a revision of an article dealing with semiology in the interpretation of art The book proceeds to address the research history of iconology in art history presenting the methodology of Erwin Panofsky and one of his influential predecessors Charles Clermont Ganneau in contrast with Keel s three methodological steps leading from iconographic analysis to iconology Contributors then present two case studies of how Keel s method can be applied to interpret Egyptian and Mesopotamian images allowing insights into the worldview of an ancient culture and the aim of iconology The book concludes with a report about how iconographic analysis and iconology is taught on University level

In Search of Radical Theology John D. Caputo, 2020-10-06 These sparkling essays from a seasoned scholar are a great breath of fresh air in our claustrophobic and catastrophic time Cornel West Capturing a career s worth of thought and erudition this rich volume treats readers to creative thought careful argumentation and sophisticated analysis transmitted through the lucid accessible prose that has earned the author a wide readership of academics and non academics alike In tackling radical theology John D Caputo has in mind the deeper stream that courses its way through various historical and confessional theologies upon which these theologies draw even while it disturbs them from within They are well served by this disturbance because it keeps them on their toes When we read about professional theologians losing their jobs in confessional institutions the chances are that by earnestly digging into what is going on in their tradition they have hit upon radical theological rock Unlike modernist dismissals of religion radical theology does not debunk but re-invents the theological tradition Radical theology Caputo says is a double deconstruction of supernatural theology on the one hand and of transcendental reason on the other and therefore of the settled distinctions between the religious and the secular Caputo also addresses the challenge for radical theology to earn a spot in the

curriculum given that the radical makes it suspect among the confessional seminaries while the theology renders it suspect among university seminars

Journeying from the academy to contemporary American culture In *Search of Radical Theology* includes a captivating presentation of radical political theology for the time of Trump This utterly unique volume not only brings readers on an enlightening tour of Caputo's thought but also invites us to accompany the author as he travels into intriguing new territories

Ancient Mediterranean Sacrifice Jennifer Wright Knust, Zsuzsanna Varhelyi, 2011-08-05 An investigation of the multiple meanings and functions of sacrifice in diverse religious texts and practices from the late Hellenistic and Roman imperial periods

Basileia bei Origenes Angelica Dinger, 2020-06-25 Angelica Dinger beschäftigt sich mit der Frage wie und mit welchem Ergebnis Origenes mit den biblischen Schriften umgeht und welche Auswirkung das auf die Konstruktion von christlicher Identität hat Am Beispiel des as e a Begriffs analysiert sie wie Origenes den Bibeltext im Matthäuskommentar deutet welche Einflüsse sich auf seine Deutung rekonstruieren lassen und was diese Rekonstruktionen über die Vielfalt kultureller Identitätsmarker in der Kaiserzeit aussagen Den as e a Begriff deutet Origenes mehrdimensional In ihm verdichten sich origenistische Gedanken zur Christologie zur Erkenntnistheorie zur Sünden und Tugendlehre sowie zur Eschatologie So bietet diese Studie auch einen Zugang zum theologischen System des grossen Denkers aus Alexandria insgesamt

Overture to Practical Theology Jeanne Stevenson-Moessner, 2016-11-10 In *Overture to Practical Theology* Jeanne Stevenson Moessner takes a new route to introduce theology students and others to the field of practical theology Although she is certainly aware of relatively recent efforts to show the academic credentials of practical theology through careful definition citing that of David Tracy analysis of components and linkages to other disciplines within and without the overall framework of theology she proceeds by means of a double analogy rather than abstract academic precision to illumine practical theology Actual case studies also helpfully illumine aspects of her work

From the Foreword by James N Lapsley The book examines biblical foundations historical roots and current manifestations of social justice ministry Stevenson Moessner shows how practical theology addresses racism sexism violence anti-Semitism ecological imbalance and life at the margins of society the vexing issues of today's ministry

The Life of Thecla Andrew S. Jacobs, 2024-05-31 Thecla was one of the most venerated saints in late antiquity One of her followers created the *Life of Thecla* as an act of devotion in the fifth century rewriting the popular Acts of Thecla and transforming it into the heroic saga of a saint Replete with long speeches dramatic flourishes and literary flamboyance the *Life of Thecla* gives modern readers insight into the ways a gender bending apostolic saint could be reframed and reimagined for later audiences This first modern English translation of the *Life* explores its relationship with the earlier Acts as well as its place in fifth century concerns about miracles healing sainthood and sexuality

The Babylonian Talmud and Late Antique Book Culture Monika Amsler, 2023-04-06 In this book Monika Amsler explores the historical contexts in which the Babylonian Talmud was formed in an effort to determine whether it was the result of oral transmission Scholars have posited that the rulings and stories we find in the Talmud were passed on from

one generation to the next each generation adding their opinions and interpretations of a given subject Yet such an oral formation process is unheard of in late antiquity Moreover the model exoticizes the Talmud and disregards the intellectual world of Sassanid Persia Rather than taking the Talmud s discursive structure as a sign for orality Amsler interrogates the intellectual and material prerequisites of composers of such complex works and their education and methods of large scale data management She also traces and highlights the marks that their working methods inevitably left in the text Detailing how intellectual innovation was generated Amsler s book also sheds new light on the content of the Talmud This title is also available as Open Access on Cambridge Core

This Enthralling Realm of Kindle Books: A Comprehensive Guide Revealing the Pros of Kindle Books: A World of Convenience and Versatility E-book books, with their inherent portability and simplicity of access, have liberated readers from the constraints of physical books.
