Once More From The Beginning:

Once More from the Beginning Donald G. Brooks, 2012 *Shakespeare's 'Method' for Actors* Christine Ozanne, 2025-09-22 By using only the First Folio text this book acts as an original guide to performing Shakespeare's plays. This book is the accumulation of the many Clues from the First Folio of Shakespeare's plays as opposed to any edited version that help to inform contemporary performances and offers a complete understanding of the text. This study compares the original acting of Shakespeare's plays with the modern method of rehearsing and performing theatre and film productions. It likens today's screen actors' limited preparation time for their performances with the Elizabethan acting company's restricted conditions for theirs. This book covers in depth analysis of thirty Clues, some of which have been edited out in modern versions, thereby losing the effect of the useful Clue. Here is a clear and intelligent view of the riches to be mined in the text contained in the 1623 First Folio. New insights into all the plays are given to actors, directors, teachers, and people who care about the works of William Shakespeare, and it is a companion volume to Patrick Tucker's *Shakespeare's First Folio Cue Scripts* (Routledge, 2024).

Last and First Men (Sci-Fi Novel) Olaf Stapledon, 2021-05-07 *Last and First Men* is a future history science fiction novel describing the history of humanity from the present onwards across two billion years and eighteen distinct human species, of which our own is the first. Conception of history follows a repetitive cycle with many varied civilizations rising from and descending back into savagery over millions of years as the later civilizations rise to far greater heights than the first. It is an early example of the fictional supermind, a consciousness composed of many telepathically linked individuals.

Technology, Monstrosity, and Reproduction in Twenty-first Century Horror K. Jackson, 2013-11-19 Through a wide spectrum of horror sub-genres, this book examines how the current state of horror reflects the anxieties in Western culture. Horror films bring them to a mass audience and offer new figures for the nameless, faceless antagonist that plagues us and provides material with which to build a different understanding of ourselves.

Works. The Text Carefully Restored According to the First Editions William Shakespeare, 1867 *The Poems of Phineas Fletcher, B. D., for the First Time Collected and Edited with Memoir, Essay and Notes by the Rev. Alexander B. Grosart* Phineas Fletcher, 1869 *The First Ladies of Rome* Annelise Freisenbruch, 2011-10-31 Like their modern counterparts, the first ladies of Rome were moulded to meet the political requirements of their emperors: be they fathers, husbands, brothers, or lovers. But the women proved to be liabilities as well as assets. Augustus' daughter Julia was accused of affairs with at least five men. Claudius' wife Messalina was a murderous tease who cuckolded and humiliated her elderly husband while Fausta tried to seduce her own stepson and engineered his execution before being boiled to death as a punishment. In *The First Ladies of Rome*, Annelise Freisenbruch unveils the characters whose identities were to reverberate through the ages: from the virtuous consort, the sexually voracious schemer, and the savvy political operator to the flighty bluestocking, the religious icon, and the romantic heroine. Using a rich spectrum of literary, artistic, archaeological, and epigraphic evidence, this book uncovers for the

first time the kaleidoscopic story of some of the most intriguing women in history and the vivid and complex role of the empresses as political players on Rome's great stage **The first(-second) part of the ... History of ... Prince Palmerin of England. Translated out of French, by A(nthony) M(unday), etc. B.L.
