

To the One I Love,

*No one said marriage would be easy.
But I'm thankful that it's been hard.
I'm thankful because it means this is for
real. That we're for real. And that we're
going to make it through no matter what.
And when you know that, you realize
that everything else -- the worries and
the struggles and the bills -- can take a
backseat on this beautiful ride we're on
together, because it's going to last for so
many more years and there's a sunset I
plan on riding off into with you at the
very end.*

Your Loyal Wife/Husband

One Love Love Letters To My Husband:

Love Letters to My Spouse Maia Berens, Bart Berens, 2022-01-01 I am a teacher I teach about relationships because after two failed marriages and add another two that failed for my husband I just had to learn how to do it and how to get it right It is said We teach what we have to learn Anyone who knows me will tell you that when I decide to do anything I do it with all of me When something works for me and helps me grow and improves the quality of my life I am steadfast Since I began to learn how emotions work and then began to recognize mine and the effects of healing those old ones that never got expressed I have been 100% committed to use what I learned and the results in my life have been almost unbelievable A few years ago I started looking at what we had in our relationship that most others don't seem to I wondered What are our secrets And can I help others with them too Following are those things that we believe have created the quality and depth of our relationship and we believe they can do the same for you When my husband died in 2015 we had had 31 years of a highly successful marriage and we'd like you to have the same The book is divided into 10 chapters The chapter headings are the 10 main secrets that we have learned and want to offer you They are Secret 1 You have to be real and you have to feel good enough about yourself to be real Secret 2 Making your commitment to the relationship and not each other works way better Secret 3 You can't expect your partner to do anything you are unwilling to do like forgiving and giving up being right Secret 4 You have to learn how to communicate honestly and appropriately Secret 5 You have to remember that love includes compassion and non judgment Secret 6 You have to be aware when the connection is dying and do something about it Secret 7 You have to let them know they're doing a good job Secret 8 You have to own up when you've messed up and learn from it Secret 9 You have to get that a good relationship is sacred and make time for it Secret 10 You have to own the whole job take full responsibility After four failed marriages between us we were determined to learn how to make this a good one We learned There are some very special things we noticed after all of those years and we wanted to help you learn them too so you can wake up one day and notice how many years have gone by and you still have the relationship of your dreams
