Deists? Are You Sure?** Ray Strobo, 2017-08-31 What's this book about It's about TRUTH According to the Internet and the media the Founding Fathers were deists and atheists That is NOT TRUE The Historical Record is clear The Signers of the Declaration of Independence an exemplar of the Founding Fathers were for the most part men of religious faith The reader is directed to hundreds of historical references many accessible online which tell us the TRUTH that none of the Signers of the Declaration were publicly professing atheists and only a handful of them were ever publicly categorized as deists in their day And most of those characterizations were NOT TRUE The author spent years researching this subject and gathering data about the Signers from biographies wills magazine articles newspaper articles personal correspondence speeches legislation first hand testimonials obituaries eulogies tombstone engravings and character studies The overall conclusion from these sources is inescapable Religion played a significant role in the private and public lives of most of these patriots The religion of their day in the British North American colonies was Christianity Meet these Signers for yourself all 56 of them See them as real people ordinary men in many cases called on to do extraordinary things in the face of overwhelming odds Hear them give credit to the interposition of God as they overcame those odds See TRUTH through their eyes and through the eyes of people who knew them or researched them The Supernatural and the Circuit Riders Rimi Xhemajli, 2021-06-22 In The Supernatural and the Circuit Riders Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God's Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning

with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today *The Founding Myth* Andrew L Seidel,2019-05-14 Do In God We Trust the Declaration of Independence and other historical evidence prove that America was founded on Judeo Christian principles Are the Ten Commandments the basis for American law A constitutional attorney dives into the debate about religion s role in America s founding In today s contentious political climate understanding religion s role in American government is more important than ever Christian nationalists assert that our nation was founded on Judeo Christian principles and advocate an agenda based on this popular historical claim But is this belief true The Founding Myth answers the question once and for all Andrew L Seidel a constitutional attorney at the Freedom from Religion Foundation builds his case point by point comparing the Ten Commandments to the Constitution and contrasting biblical doctrine with America s founding philosophy showing that the Bible contradicts the Declaration of Independence s central tenets Thoroughly researched this persuasively argued and fascinating book proves that America was not built on the Bible and that Christian nationalism is in fact un American

Famous Atheists Ray Comfort,2014-12-03 What do atheist believe if anything What are some common lies they tell What arguments do they make It will fascinate the reader to learn some of the world s most famous atheists Albert Einstein Mark Twain John Lennon Steve Jobs Brad Pitt Hugh Hefner Charles Darwin And many more What do these people have in common How do atheists view God Jesus the Bible Heaven and hell sin and salvation This book will give answers to these questions and provide the reader with greater understanding of this growing segment of our population **Chaplains of the Revolutionary War** Jack Darrell Crowder,2017-11-01 There is a time to preach and a time to fight And now is the time to fight With those words the Rev John Muhlenberg stepped from his pulpit removed his clerical robe revealing the uniform of a Colonial officer and marched off to war Many of the ministers who became chaplains in the Continental Army during the Revolutionary War carried muskets while ministering to the spiritual needs of the troops Their eyewitness accounts describe the battles of Lexington and Concord life on a prison ship the burning of New York City the Battle of Rhode Island the execution of Major Andre and many other events *American Holy Days, Second Edition* Boardman W. Kathan,2023-11-30 Our national holidays have been trivialized by merchandising consumerism and long weekends What do you know about the origins of the national holidays of the United States Boardman Kathan presents the persons and events that each of our holy days commemorates In so doing he explores the shaping of American history and identity revealing often misunderstood parts of our national story from a new approach Each chapter looks at the many books and research written about the events

commemorated by these holidays showing their relevance for today Kathan includes discussion of the spiritual or religious dimensions of these national observances pointing out that although the United States was not founded as a Christian nation on biblical principles people throughout American history have perceived a divine guidance or what George Washington called providential care This book reflects back on the original meaning of these days and seeks to inspire renewed forms of celebration commemoration and observance Celebrating patriotic holidays can bring us together as a people especially in times of stress and conflict Schools religious institutions patriotic organizations readers interested in history in short the general public will find this an enjoyable aid for recalling our history reclaiming our values and traditions and restoring a sense of community

God's Reflections Ronald Ian Phillips, Ernest Schmidt, David Grotzke, Seth Grotzke, 2022-04-07 Using a unique and ground breaking approach that combines religion with American history these four authors masterfully present a thoroughly researched and captivating account of fifty two inspirational stories of America s exceptionalism intricately woven with God s truths Each story connects the life giving honesty of the American people with a life shaping application from the gospel Individuals interested in the history of the United States or Christianity and looking for an overarching account of what unites us as Americans and believers will be enthralled by these inspiring stories of struggles and triumphs We are not the light just the reflection if we stand close enough to the Source The further we move away from God s will for our lives the more we stumble in the dark But as believers we know there is an all powerful force that will lift us up and help us to walk in the light The goal of God s Reflections Biblical Insight from America s Story is to draw Christians closer to the light source so they can radiate brighter in their service to God and their country and be part of the greatest rescue mission of all making disciples for Jesus Christ

Our Humanist Heritage George Frater, 2010-07 This fast paced and well documented analysis of the government s steady march away from God will either thrill or anger you depending on your worldview For those of us who acknowledge the Creator of the Universe as our God Savior and Lord this document tends to stir up both the sadness at the exponential slippage from our foundations as a Country and a challenge to stand strongly and openly against the growing intensity of those who would remove religion from America The nations rage sometimes and imagine a vain thing but he who sits in the heavens shall laugh Mr Frater has done a wonderful job of tracing the Humanist movement from its early inception and its subtle and damaging impact on our nation over the decades All serious students of history and those of Kingdom concern should avail themselves of his work Henry M Morris III Chief Executive Officer Institute for Creation Research George Frater B S M S M A Ed S retired Quality Assurance Quality Control Coordinator Air Monitoring Department Environmental Protection Commission Hillsborough County Florida Education Wisconsin State B S Agriculture Biology and Chemistry minors Iowa State M S Poultry Nutrition and Vanderbilt M A and Ed S Biology Taught science in Brandon High School in Hillsborough County and in Pillsbury Baptist Bible College Minnesota Ran the Cancer Research Center Tissue Culture Lab at Vanderbilt Hospital Nashville Served Bible Science Association on the National Board of Directors B SA
