One More Shot Hometown Players:

Crew Victoria Denault,2025-05-19 Liv Garrison needs a shoulder to cry on I m giving her that and a whole lot more The media the fans my teammates my coaches all expect more from me than they do other hockey players That s what happens when you re Crew Westwood the son of hockey s beloved golden boy I was pretty good at handling the pressure until my wife blew up our marriage and I responded by almost blowing up my house Not my finest hour but I ve never been an emotionless robot like my twin brother Now I have it all under control I m happy with who I am and my single carefree life Until a trip to Vegas and the best one night stand of my life changes everything Turns out my sexy stranger is actually the cousin of my teammate and best friend Tate always told me Liv Garrison was the one who steered clear of all things hockey He said she was a shy innocent virgin Well not anymore If Tate finds out about my steamy night with Liv I m screwed But what has me even more terrified is that fact that I can t stop thinking about her She s the most beautiful authentic kind hilarious and accidentally sexy woman I ve ever met Liv s also got secrets she doesn t want to talk about just like me I can t fall in love again I m not cut out to handle that level of emotions I have to stay away my brain keeps sending that memo but my heart and the rest of my body refuse to listen

Conner Victoria Denault,2025-05-18 My name is Conner Garrison and I m a failure The men in my family are some of the most successful hockey players of all time and I m about to get dropped from the entire league How do I face them Avoiding my large well meaning but invasive family is how I end up face to face with my childhood crush at midnight And I happen to be as naked as the day I was born Mackenzie Mac Larue is five years older than me gorgeous and about to become a doctor She s also dealing with a crushed ego thanks to a bad ex boyfriend Finally something I can fix I might not be able to save my career but I can help this incredible woman rebuild her confidence As a friend She sees me as a work project nothing else But the more time we spend together the more I start to believe that if I can earn back my career maybe I can earn her heart her too

Nash Victoria Denault,2025-05-19 She s gorgeous smart and the bane of my existence She s also my wife Tenley Garrison and I hate each other Sure she s a leggy blonde with a gorgeous smile and the bluest eyes I ve ever seen but she lives to push my buttons One night in Vegas I decide to push hers right back Biggest mistake of my life Somehow after too many margaritas and too many dares we wake up in the same bed with a hazy memory of a wedding chapel No surprise we both want an annulment Tenley is busy launching her career as a documentary filmmaker and I m busy with hockey playoffs Neither of us wants a partner we like let alone one we can t stand But when the media finds out Tenley s producers tell her they won t make her sports documentary unless we re in it together And my team makes it clear a divorce during playoffs is off the table So we re forced to shack up and fake a happy marriage When no one is looking we re pranking each other insulting each other and making each other squirm I refuse to turn down her ridiculous dares If I did Tenley would think she s won and I m Nash Westwood I never lose Except when the dares turn sexy sparks fly shocking us both Maybe there really is a fine line between love and hate But there s no way I m crossing that line with Tenley

The Accident at Sanborn Corners.....And Other Minnesota Short Stories J. L. Larson, 2013-06-11 Minnesota is known for frigid weather, thousands of lakes, and Scandinavian humor. But in this anthology of ten short stories, J. L. Larson shows a different side of the state via unique tales of conflict, adventure, and intrigue that often transport characters outside its borders. In July of 1970, at a benign-looking intersection in the middle of Minnesota farmland, a fateful mishap occurs yet again. What is it about this seemingly nondescript junction that makes it such a repetitive and bloody deathtrap? Is it the terrain, the weather, the driver, or a combination of these and maybe a few other factors? In another story, a paper company executive and his wife must cope with an empty nest and the loss of his job. He's doing fine until he receives a strange late-night call about his self-centered, malicious nemesis from the old job. In tale after tale, Larson showcases eclectic characters who embark on adventures that include a disaster on a popular lake, an emotional confrontation in a university classroom, the mysterious travel exploits experienced by a young man with his uncle, and the recurring dramatic impact on a young teen as his life moves forward following a seemingly insignificant encounter. *The Accident at Sanborn Corners and Other Minnesota Short Stories* is an entertaining compilation of situations and themes that illustrate how various characters cope with the unexpected in life.

Tiger & Phil Bob Harig, 2025-09-23 Bob Harig's *Tiger Phil* provides an in-depth chronicle of the decades-long rivalry that drove the success of golf's two biggest stars, Tiger Woods and Phil Mickelson. For more than two decades, there have been two golfers who have captivated, bemused, inspired, frustrated, fascinated, and entertained us, and in doing so, have demanded our attention: Tiger Woods and Phil Mickelson. Even with all the ink that has been spilled on Tiger, no one has ever written about his relationship with Phil and how their careers have been inextricably intertwined. Furthermore, very little has been written about Phil Mickelson, who is more than just an adversary. He is a fascinating Hall of Fame golfer in his own right. These two biggest names and draws in golf have, for better and for worse, been the ultimate rivals. But it is so much more complicated than that. Each player has pushed the other to be better. They have teased each other and fought. They have battled to the bitter end on the course, making for some of the greatest moments in the game for the last 20 years. They have each gone through injury and health problems, legal problems, falling in and out of favor with the press. And over the course of their time together in the game, they have gradually become not just rivals but friends. In the tradition of major bestsellers such as *Arnie* by Jack Nicklaus, *When the Game Was Ours* by Tom Tryon, *The Rivals* by Brady Harte, and *Brady vs. Manning* by Tiger Phil will change the way we look at these players and the game itself.
