Quarterback's Surprise Baby Imani King, 2016-07-07 Odell It's just my luck that the man I picked up to celebrate making partner my first and only one night stand would be the famous jock who I am defending Tattooed sexy and all wrong for a career girl like me Gryphon James is an obstacle I don't need And now that his baby is growing in my belly I can't ignore the bigger complication the feelings that are growing in my heart Griff was just looking for someone to fuck at the bar that night and so was she After the last time I gave my heart away I vowed I'd never fall in love again Besides Coach insists I focus on football no more distractions no more complications But when Odell looks at me with her Godiva eyes and her sweet curves press up against my angles my resolve melts away Can a no good trailer trash jock and a high priced lawyer ever last The Quarterback's Surprise Baby is a steamy standalone novel with a HEA ending a satisfying epilogue and NO CLIFFHANGERS

Falling for the Quarterback S. E. Rose,Sierra Hill,2025-11 For the past four years Joel Hendy Henderson has been

revered and celebrated as CFU's number one quarterback and treated like a larger than life superhero. Now he's returned for grad school and is second guessing his decision of not playing pro post graduation. And worse yet for the first time in his life he wants a woman he can't have the one he hooked up with over spring break who he never expected to see again. And now she's his new professor. Leaving behind all the drama of a demanding father and a critical ex back in the UK Charlotte Butler is excited about her new role as a professor at CFU. What she doesn't expect is the drama that unfolds in her classroom when her one and only one night stand ends up being her new grad student. Hendy's making all the right moves to score Charlotte's heart but the complications between them block his every attempt. He may need a Hail Mary pass if he's going to win her love forever.

Jock: a Secret Baby Sports Romance Aubrey Irons, 2016-09-06 My job is to recruit him. Not have his baby. Holden Cade is the filthiest wildest most hard partying quarterback in pro football. A crude rude arrogant jock and the only thing bigger than his ego is his Ugh at least that's what the tabloids say. I'd prefer to have nothing to do with a self obsessed prick like that. But as a talent scout for my father's football team I'm about to have a LOT to do with him. But I'm the best there is in this biz. I don't take crap from inflated egos like Holden Cade and I am always in control. That is until I hear that filthy voice right in my ear and until I feel his hands on my skin. Until I let go for one night and it ends up being the hottest one of my life. Technically I'm his boss now. Technically continuing this dirty little secret is a breach of both our contracts. Technically there's no way this could get more complicated. Well that is until I find out I'm carrying his baby. Whoops. Holden Cade thinks he can make me his. He might be right. This is a standalone book approx 78 000 words with a HEA. NO CLIFFHANGER.
