L. Doug Harberson, 2022-11-03 I was asked recently why I decided to write this book when there are numerous famous authors on the subject The question took me by surprise but as I pondered my reasons my response was two fold I wanted to write a book that the general public lay persons could read with a high degree of comprehension using word structure that is common in everyday language I wanted the book to lend itself to being used as the material for a detailed Bible study on the end times I am currently working on a journal to complement the book As the reader works through the chapters of this book he she will discover how Daniel s prophecies predict the seven years of Tribulation These prophecies serve as the backbone of this book why Christ chose the seven churches in chapters 2 and 3 details about the rapture when it will occur who is involved Don t be left behind details of the Judgment Seat of Christ details of the Four Horsemen of the Apocalypse description of the Seven Seals Seven Trumpets and Seven Bowls when they occur their devastation and purpose the Antichrist discussed in detail details about the great revival during the first months of Tribulation who the two witnesses are and their purpose during the first half of Tribulation details regarding the Marriage Supper of the Lamb fascinating details of the Glorious Appearing and Armageddon surprising revelations about Satan details of the Judgment of the Sheep and Goats and the Great White Throne Judgment fascinating details about the Millennial Reign of Christ how many Books of Life exist Are there more than one a full discussion of the New Heaven and New Earth the author s time line of events that happened during the seven year Tribulation Period and beyond **Islam Religion of War or Peace?** Billy

Crone, 2019-04-06 One minute you read a newspaper article sharing the shocking truth of how once again so called radical Muslims have brutally murdered dozens upon dozens of people in one part of the world and in some cases have even resorted to ruthlessly beheading their victims Yet the next minute you re sitting down in the living room after work watching a television news broadcast with the talking head interviewing a self proclaimed moderate Muslim who repeatedly shares how Islam is such a wonderful peaceful religion So which is it Well this book Islam Religion of War or Peace cuts through all the bogus chatter and media lies and simply gets to the authentic truth exposing the real heart beliefs and behavior of true followers of Islam Here you will discover such shocking revelations as The History of Islam The Beliefs of Islam The Six Pillars of Islam Islam Conquering Through Immigration Islam Conquering Through Islamization How to Witness to a Muslim and Is Barack Hussein Obama a Muslim **2012, the Bible, and the End of the World** Mark Hitchcock, 2009-09-15 In 2012 the Bible and the End of the World bestselling prophecy expert Mark Hitchcock explores a fascinating last days

controversy that is gaining the attention of millions all over the globe What should Christians make of the rapidly spreading speculations that the world will end on December 21 2012 The ancient Mayans were expert astronomers and their advanced calendar cycles predict 12 21 2012 as a catastrophic day of apocalypse This prophecy has spawned a growing number of fringe element books Web sites and even a major movie complete with all star cast scheduled to release in July 2009 Missing in the furor is a biblical perspective Bible teacher Mark Hitchcock whose books have sold more than 300 000 copies examines the following questions Why December 21 2012 Can we trust the Mayan alarm clock Does the Bible say anything about 2012 What signs will tell us that Armageddon is near This book provides a fascinating survey of both the historical past and the prophetic future Readers will discover how to effectively counter baseless speculation with biblical fact
